

# WHICH LOCAL ROADS WILL BE CLOSED?

## Phase One – 10 hours before kick off

Traffic marshals will close the High Road from White Hart Lane to Hampden Lane and sections of Cedar Road, Ruskin Road, Church Road, Bromley Road, Worcester Avenue and Park Lane and implement the Vehicle Permit Check Points. This is to allow for additional security and safety infrastructure to be installed. General traffic and TFL buses will be on diversion to the east and west of the stadium.

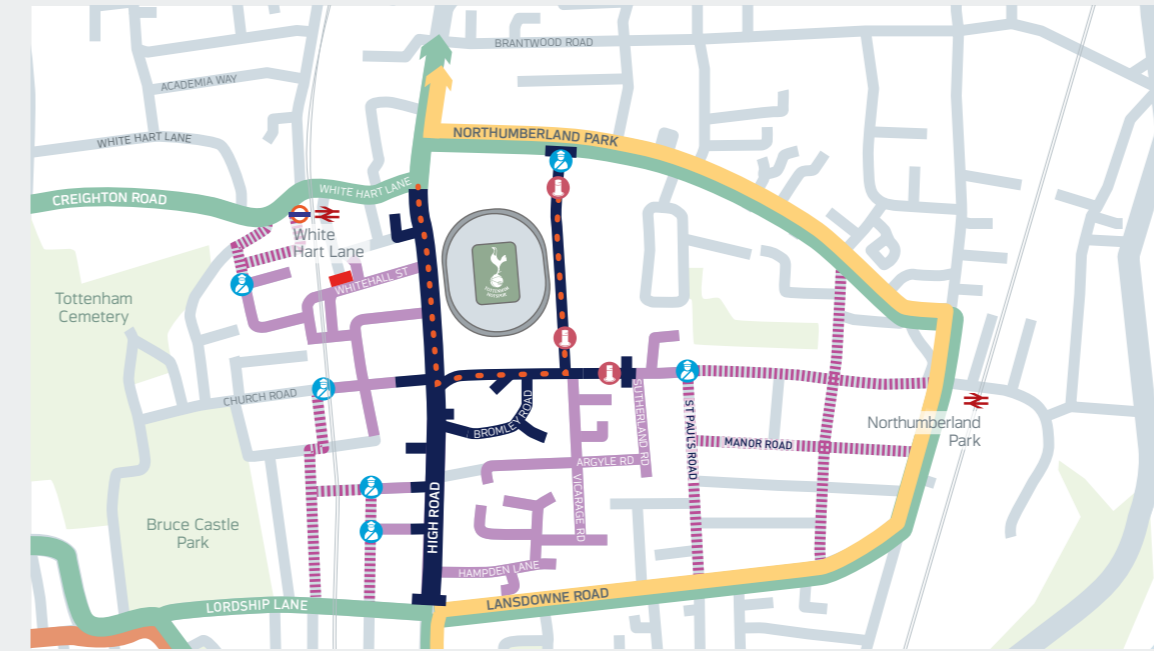

Residents and businesses who require vehicle access to their properties will need to enter via a Vehicle Permit Check Point (see map above). Access will be permitted using their CPZ permit, Homes for Haringey permit or Blue Badge parking permit. All parking bays on Park Lane and Worcester Avenue will be suspended.

## Phase Two – 7.5 hours to 4 hours before kick off

A perimeter will be in place restricting access for pedestrians with large bags (please see overleaf for NFL game day bag policy) on the east side of the High Road between White Hart Lane and Park Lane, on the north side of Park Lane from High Street to Worcester Avenue and on Worcester Avenue, as shown by the red dotted line in the map above.

This will be marked by a low level fence line and security stewards. Pedestrians with large bags will be asked to walk to their destination on the outer side of the fence line. Residents entering Worcester Avenue with large bags will be escorted by security to their homes.

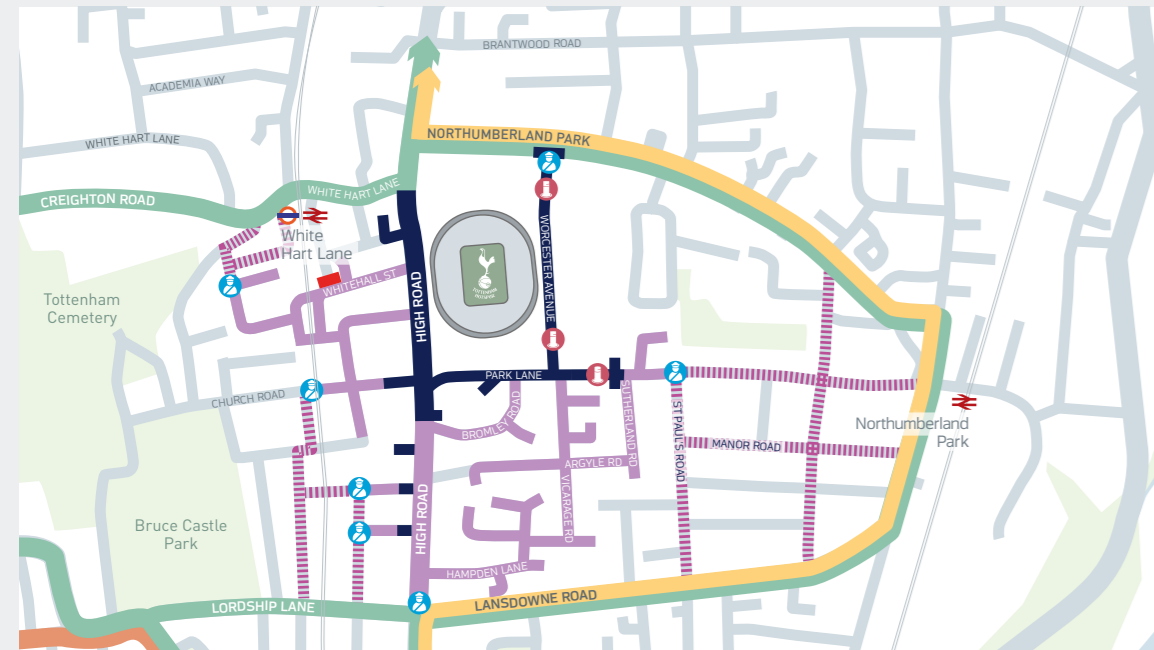

## Phase Three – 4 hours before kick off

Four hours before kick off, no vehicles (except emergency vehicles) are permitted on the roads highlighted in navy blue on the map above. This is to ensure the safety and security of visitors to the stadium. Residents and businesses displaying a valid CPZ permit, Homes for Haringey permit or blue badge permit will be able to drive through the check points on the roads highlighted in purple. Traffic marshals will close the southern section of the High Road to Lansdowne Road/Lordship Lane.

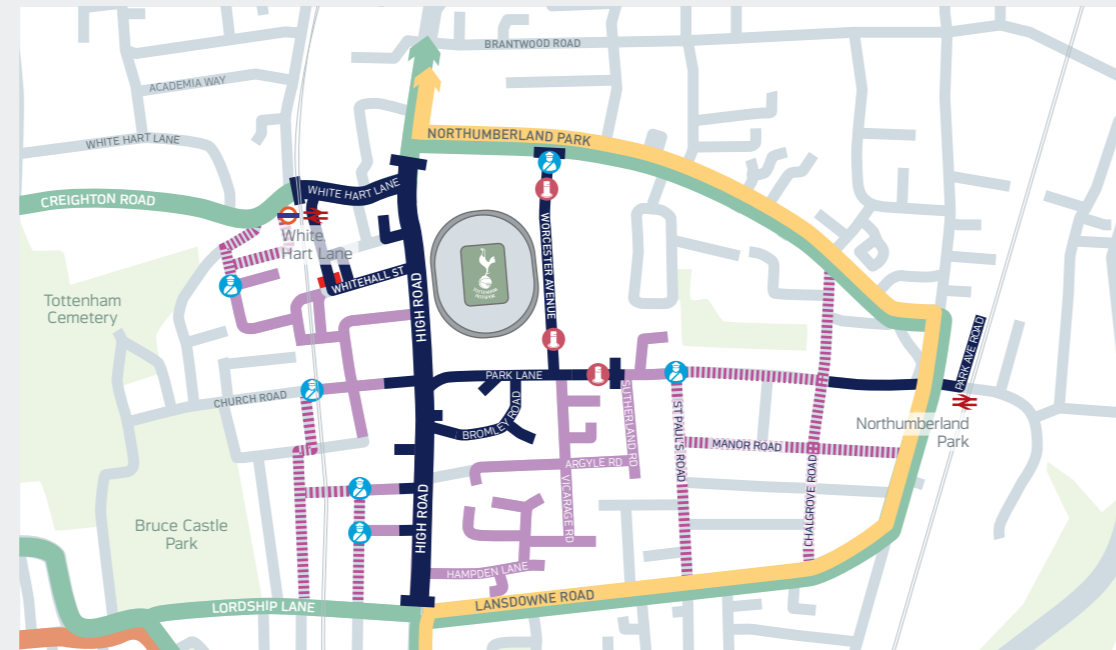

## KEY

- Road closed
- Resident and Business Access permit zone
- Resident and Business Access route
- Ⓜ Vehicle Permit Check Point (VPC)
- Ⓜ Rising security bollards
- Eastern bus diversion route
- Local traffic diversion route
- Existing west bus diversion route
- Firegate
- Large bag perimeter
- Post-event one-way system

## Phase Four – During the game and 30 minutes before the final whistle

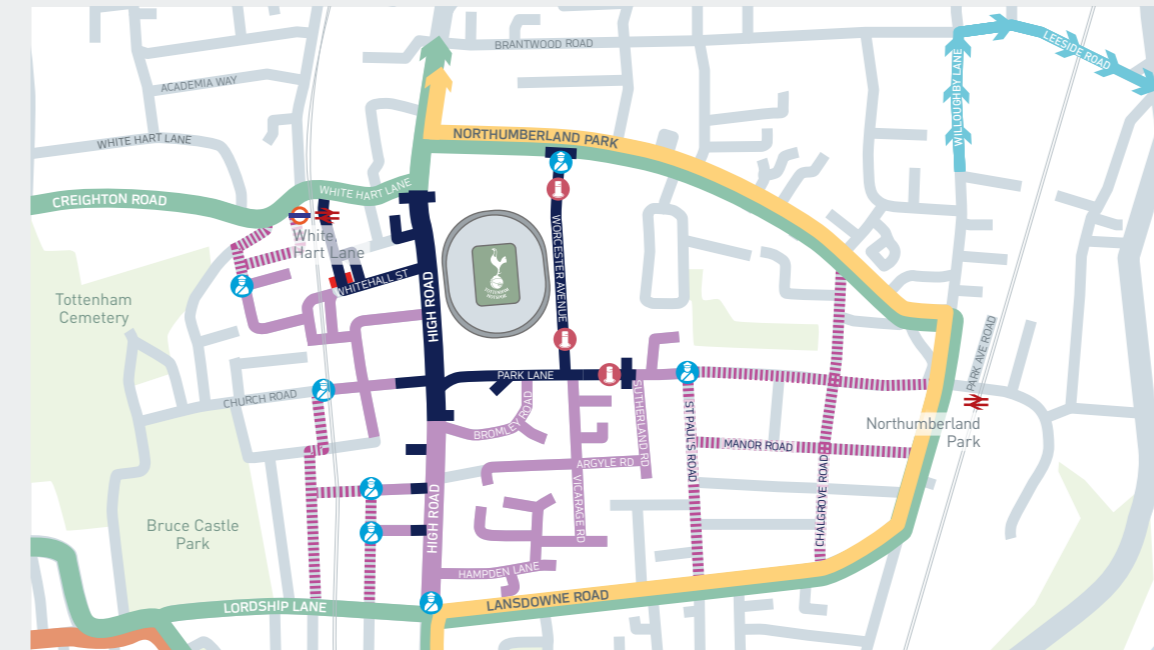

During the game, the Resident and Business Access permit zone will be reinstated for vehicles accessing Hampden Lane and Bromley Road only. The northern section (highlighted in navy blue) will remain closed to allow for the safe evacuation of the stadium in an emergency. Worcester Avenue and Park Lane will remain closed to all traffic. In addition, the perimeter fence line will be removed.

## Phase Five – 30 minutes prior to final whistle and up to 1 hour after the game

30 minutes before the final whistle, traffic marshals will close the High Road to Lansdowne Road. The High Road access to Hampden Lane will close, restricting vehicular access to Hampden Lane via Park Lane. Bromley Road, White Hart Lane and the section of Park Lane between Chalgrove Road and Park Avenue Road will also close during these times.

Worcester Avenue and Park Lane will remain closed to allow people to leave the stadium up to 90 minutes after the game. Whitehall Street and Love Lane will have their parking bays suspended and be closed up to 90 minutes after the game to cater for normal game day queues at White Hart Lane station.

## Phase Six – 1 hour to 90 mins after a game

Traffic Marshals will reopen the High Road Vehicle Permit Check Point at Hampden Lane and vehicles will be able to access Bromley Road. In addition, White Hart Lane and the section of Park Lane between Chalgrove Road and Park Avenue Road will be reopened. Worcester Avenue and Park Lane will remain closed to allow people to leave the stadium up to 90 minutes after the game. Vehicle Permit Check Points will end once roads reopen. As during normal MEDs, Leeside Road will be one way eastbound, and Willoughby Lane will be one way northbound for 1 - 2 hours after the game. If deemed safe to do so, roads will be reopened earlier.
