FORD FAMILY

SHEILA FORD HAMP

PRINCIPAL OWNER AND CHAIR

On June 23, 2020, **Sheila Ford Hamp** succeeded her mother, Martha Firestone Ford, as Principal Owner and Chair of the Detroit Lions. From 2014-19, Mrs. Hamp served as one of the team's vice chairs during her mother's ownership.

Mrs. Hamp carries the Ford Family's proud legacy that was first established by her father, William Clay Ford, who passed away on March 9, 2014, after serving as the sole owner of the franchise for 50 seasons (1964-2013). Mr. Ford's ownership grew into a deeply-rooted family tradition that now includes multiple generations of the Ford Family.

At the end of the 2020 season, Mrs. Hamp, with the assistance of President and CEO Rod Wood, Senior Vice President of Football and Business Administration Mike Disner and Special Assistant to President/CEO and Chairperson Chris Spielman, laid out a clear vision for the organization. With the goal of establishing the Lions as a workplace built on a collaborative culture, the search for new leadership resulted in the arrival of Brad Holmes and Dan Campbell.

Holmes was named executive vice president and general manager on January 14, 2021 after spending 18 seasons with the Los Angeles Rams (2003-20) in a variety of roles, including most recently director of college scouting. In Holmes' introductory press conference, Mrs. Hamp highlighted the attributes that made him the right fit for Detroit.

"We interviewed 12 general manager candidates. All of them were very talented, impressive and qualified individuals. But when we interviewed Brad, he stood out to us as the perfect fit for the general manager we were looking for. His leadership qualities were evident. So was his intelligence, his engaging personality and his collaborative and confident approach to team building. His embrace of the fusion of analytics and scouting intuition in his approach to drafting blew us all away. He was our unanimous choice."

That same week, Campbell, a former tight end with 22 years of NFL experience, including 11 as a coach and 11 as a player, was named the team's new head coach.

"You've heard me talk a lot about collaboration and chemistry

this week and making sure that everyone in our organization is aligned with the same vision," Mrs. Hamp said during Campbell's introductory press conference. "That is Dan Campbell. He will be a positive figure in our community ... and what better person to lead this organization than someone who played between the white lines here in Detroit."

During her first year as Principal Owner and Chair, Mrs. Hamp created a Culture Task Force that was designed to improve organizational culture through enhanced employee engagement, alignment and openness. The work of the Task Force, which included an employee-wide survey to address areas of improvement, led to Mrs. Hamp establishing six sub-committees that allow employees to strategize and achieve work solutions together across the Allen Park and Ford Field offices.

Mrs. Hamp's hands-on approach to leading the Lions also extends to the league level. In February 2021, she participated in the NFL's Women's Careers In Football Forum, where she, along with Cleveland Browns Managing and Principal Partner Dee Haslem, led a "From Firsts To The Future" panel discussion with young women about breaking into careers in professional football.

At the age of five, Mrs. Hamp, the second of four children, began attending Lions games at Briggs (Tiger) Stadium and Lions training camp at Cranbrook School in Bloomfield Hills, Mich. As a teenager, her love of the Lions and knowledge of the game of football would impress many, including then NFL Commissioner Pete Rozelle. Now as Principal Owner and Chair,

Mrs. Hamp focuses that love, knowledge and commitment to the team that has been part of her family for decades. She also serves on the NFL's Fan Engagement and Major Events Committee and is the Chair of the Board for Detroit Lions Foundation.

Beyond her involvement with the Lions, Mrs. Hamp and her husband, Steve, are very active in numerous community and charitable organizations. Together they co-chair the board of the Purple Rose Theatre Company in Chelsea, Mich. Mrs. Hamp also is the Vice-Chair of the Board of The Henry Ford. In addition, she serves on the board of the Edsel and Eleanor Ford House.

Mrs. Hamp was a member of the ground-breaking group of students who were in the first class of women to graduate from Yale University where she earned her Bachelor of Arts degree. While at Yale, she played varsity tennis and earned Major Y honors during her college career. Following her graduation from Yale, she earned her Master of Arts degree in teaching and early childhood education from Boston University.

Sports have always been an integral part of Mrs. Hamp's life. In addition to her accomplishments as a college tennis player, she competed as a junior tennis player at the national level and won a Michigan state tennis title at age 17. She also coached youth soccer for more than 10 years in her current hometown of Ann Arbor, where she and her husband, Steve, raised their family.

FORD FAMILY

BOARD OF DIRECTORS AND OWNERS/VICE CHAIRS

The unique relationship between the Ford Family and The Detroit Lions...

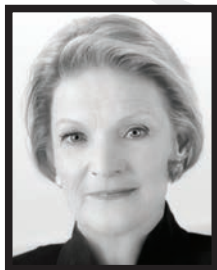

... goes all the way back to 1934, the very first season the Lions ever played in Detroit, when William Clay Ford attended his first Lions game with his father, Edsel Ford.

In 1963, Mr. Ford would purchase the Lions and become sole owner, and over the past six decades the passion and love Mr. Ford had for the Lions was shared with his wife, Martha, their children and grand-children. Upon Mr. Ford's passing in 2014, the Lions remained in the family as Mrs. Ford assumed majority ownership, and in 2020 she was succeeded by her daughter, Sheila Ford Hamp.

Mrs. Hamp is supported directly by her three siblings, **Martha Ford Morse**, **William Clay Ford Jr.** and **Elizabeth Ford Kontulis**, each of whom respectively serve as owner/vice chair and on the board of directors. All three children also are members of the Board of Trustees for the Detroit Lions Foundation.

The vice chairs' involvement with the Lions dates back to when they also attended games during their childhood. Years later, they now remain deeply devoted, along with their mother, to overseeing and governing the Lions with one primary goal in mind -- to bring Detroit a Super Bowl title.

The Ford Family continues the legacy left by Mr. Ford to support the city of Detroit and the state of Michigan with transformative philanthropy, while also establishing the Lions organization as exemplary on and off the field.

Following six seasons (2014-19) as the Detroit Lions Owner and Chair, **Martha Firestone Ford** now serves as Owner/Chair Emeritus and supports her four children - Principal Owner and Chair **Sheila Ford Hamp**, Owner/Vice Chair **Martha Ford Morse**, Owner/Vice Chair **William Clay Ford Jr.**, and Owner/Vice Chair **Elizabeth Ford Kontulis** - in the organizational leadership of the franchise.

Mrs. Ford succeeded her husband, William Clay Ford, who passed away on March 9, 2014, after serving as the sole owner of the franchise for 50 seasons (1964-2013). Following her husband's passing, Mrs. Ford became the fifth principal owner or syndicate group to own and operate the franchise since it moved to Detroit in 1934.

Along with the entire Ford Family, Mrs. Ford appreciates the unwavering support of Lions fans and knows that winning and bringing a Super Bowl title to Detroit remains the team's primary goal. Beyond success on the field, she desires to deliver one of the best fan gameday experiences in all of sports. Under her ownership, the team made significant investments to Ford Field, including a \$100 million stadium renovation in 2017.

In addition to her contributions to the football team, Mrs. Ford also has made a positive impact in the community. In June 2016, she was honored with the 2016 Zero Tolerance Award from the Detroit Public Safety Foundation at the annual "Women in Blue" banquet for the team's stance on domestic violence. In January 2019, the Lions announced an initial \$600,000 commitment from Mrs. Ford and players toward the launch of Detroit Lions Inspire Change, a new social justice initiative in the City of Detroit. At the end of the 2019 season, Mrs. Ford and players announced an additional wave of funding through grants to nine Metro Detroit organizations. Funds generated for the team's social justice initiative will focus on three community pillars as determined by the players - Scholarship Funding, Social-Educational Programs and Medical Aid/Health Assistance.

In March 2019 as part of the NFL's celebration of its 100th season, Mrs. Ford starred in the NFL Films production A

Lifetime of Sundays, a documentary highlighting the lives of four matriarchs of the NFL family - Mrs. Martha Firestone Ford (Detroit Lions), Mrs. Virginia Halas McCaskey (Chicago Bears), Mrs. Patricia Rooney (Pittsburgh Steelers) and Mrs. Norma Hunt (Kansas City Chiefs). The film debuted at the NFL Annual Meeting before airing on ESPN to a national audience.

Born in Akron, Ohio, Mrs. Ford is the granddaughter of one of America's great automotive industrial icons, Harvey Firestone. She graduated from Vassar College in 1946 with a bachelor's degree. After getting married in 1947, Mr. and Mrs. Ford moved to New Haven, Conn., where Mr. Ford attended Yale. The couple relocated to the Detroit area in 1952 and became active members of the Metro Detroit community.

Mrs. Ford also serves on the board for Detroit Lions Charities and is an Honorary Trustee on The Henry Ford Health System Board of Trustees. She has held leadership positions with many organizations, including The Merrill Palmer Institute, The University Liggett School, and The Children's Home of Detroit. She was also the founder and longtime board member of The Maple Grove Institute.

Along with her four children, Mrs. Ford also has 14 grandchildren and 13 great-grandchildren.

FRONT OFFICE

ROD WOOD
PRESIDENT AND CEO

SEASONS WITH LIONS: 6

SEASONS WITH NFL: 6

As Detroit Lions Team President and CEO, Rod Wood oversees all football and business operations of the Lions organization and reports directly to Principal Owner and Chair Sheila Ford Hamp. He was originally appointed team president on Nov. 19, 2015.

Following organizational changes at the end of the 2020 season, Wood and Mrs. Hamp set out to establish a new leadership vision for the Lions. On December 15, 2020, Wood welcomed Lions Legend Chris Spielman to a formal role in the organization as Special Assistant to President/CEO and Chairperson. Together, along with Lions Senior Vice President of Football & Business Administration Mike Disner, the group began the process of bringing the right general manager and head coach to Detroit.

The thorough search for the Lions' new leadership tandem resulted in the arrival of Brad Holmes and Dan Campbell. Holmes was named executive vice president and general manager on January 14, 2021 after spending 18 seasons with the Los Angeles Rams (2003-20) in a variety of roles, including most recently director of college scouting.

"Brad stood out to us as the perfect fit for the general manager we were looking for," Wood said about Holmes' hiring. "His leadership qualities were evident. So was his intelligence, his engaging personality and his collaborative and confident approach to team building. His embrace of the fusion of analytics and scouting intuition in his approach to drafting blew us all away. He was our unanimous choice."

Just six days later, Campbell, a former tight end with 22 years of NFL experience, including 11 as a coach and 11 as a player, was named the team's new head coach. In an introductory press conference welcoming Campbell to Detroit, Wood described specific criteria he and Ford Hamp were looking for in the team's next head coach.

"First, a leader of men. Someone who can command the room and the attention of the entire team. The temperament to handle the grind of an NFL season, dealing with losses, injuries, and outside distractions. A positive voice for the entire organization with the media, the League, colleges, staff and our fans, and the ability to assemble an excellent staff. Dan checked every box."

With the hiring of Holmes and Campbell, the Lions' improved culture of communication, collaboration and innovation will continue to follow the lead of Wood and Mrs. Hamp's vision toward establishing long-term success on and off the field.

Upon his initial hiring, Wood immediately began evaluating all business functions within the Lions and Ford Field. Concurrent with his organizational evaluation, Wood's "everything is on the table" approach to shaping the business affairs of the franchise has made a tangible and positive impact on the business operations for both the Lions and Ford Field on and off the field.

In his five years, Wood has implemented significant changes that range from day-to-day operations to new branding and has done so guided by a mission to improve the team's competitive financial position, fan engagement and overall customer experience. Wood has strengthened the Lions and Ford Field brands with improved business partnerships and more strategic alliances that positively influence business initiatives and provide necessary financial support to the club's football operations.

In February 2017, Wood unveiled plans for the first major renovation to the Detroit Lions' home stadium, Ford Field, since it opened its doors in 2002. The \$100 million investment incorporated a complete overhaul of the audio and visual experience that features new videoboards as well as a new state-of-the-art sound system. The stadium's premium spaces also received a complete makeover with expanded offerings to fans.

"We still hear what a great venue Ford Field is from our fans, visiting teams and the great acts that have performed here," Wood said. "The Ford Family is making a substantial investment to make sure our stadium remains among the best, but ultimately it's still about winning football games. We want to get fans in the building having a great time and excited about what they're experiencing so that they can continue to help us create a home field advantage."

During this time, the team also unveiled a comprehensive rebranding initiative that emphasized the classic colors of Honolulu Blue and Silver. At the forefront of the team's rebranding and perhaps its most visible assets, the Lions' new uniforms, revealed in April 2017, now feature Home, Away, Throwback and Color Rush combinations.

With the fan game-day experience a primary focus for Wood, his team also implemented a significant upgrade to the stadium's Wi-Fi and oversaw the return of a team cheerleading squad for the first time in four decades. These enhancements aided Ford Field in reaching new heights in 2017 as the stadium set records with six standing-room-only games and a total attendance of 513,100, which topped the previous record of 510,369 in 2013. Three Lions games in 2017 also ranked among the six most attended in stadium history, including a new Ford Field Thanksgiving (11/23/17) record of 66,613. In May 2019, the Lions also announced a partnership with FieldTurf to upgrade the Ford Field playing surface to a new FieldTurf Classic HD system.

Off the field, Wood provided support for an initial \$600,000 commitment from Mrs. Ford and players toward the launch of *Detroit Lions Inspire Change*, the team's social justice initiative in the City of Detroit. The initiative has continued through 2020 and into 2021 through grants to various Metro Detroit organizations.

Additionally, Wood has worked to improve the team's football infrastructure at the Lions' Allen Park practice facility. Over the past three years, the organization has completely renovated and updated the weight room and practice fields, along with other ongoing facility improvements and branding enhancements.

At the League level, Wood was appointed to and serves on the NFL's Investment Committee. For the eight years prior to his appointment as team president, Wood worked closely with the Detroit Lions organization and the Ford Family in his role as President and CEO of Ford Estates.

From 1999 until his appointment at Ford Estates in 2007, Wood was Executive Vice President of Wealth Management for the Wilmington Trust Company in Wilmington, Del., a \$400 million operation with 17 offices in eight states. Wood directed the company's entire wealth management business nationally, and he managed the personal trust, financial planning, private banking, investment management, family office services and sales functions for the wealth advisory business of Wilmington Trust.

Prior to joining Wilmington Trust, Wood held an executive position with Comerica Bank where he oversaw 12 offices in four states.

Over the years, Wood has been a member on numerous company and non-profit boards. He now serves on the board of trustees and is an officer for Detroit Lions Foundation. He is also a member of the boards for Business Leaders For Michigan, an organization dedicated to making Michigan a Top Ten state for jobs, personal income and a healthy economy; CATCH, an organization dedicated to improving the quality of life for pediatric patients and their families at Children's Hospital of Michigan and Henry Ford Hospital; the Downtown Detroit Partnership, which includes business, philanthropic and government partners that strengthen the city through strategic initiatives and programs; City Year Detroit, an organization that provides in-classroom support that helps students stay in school, become more engaged and perform better academically; as well as the Detroit Sports Organizing Corporation.

Wood graduated from Goodrich (Mich.) High School, and earned a Bachelor of Business Administration degree from the University of Michigan and a graduate degree from the ABA Graduate School of Commercial Banking.

Wood and his wife, Susan, have one daughter, Alison, and a son, Taylor.

BRAD HOLMES

EXECUTIVE VICE PRESIDENT AND GENERAL MANAGER

SEASONS WITH LIONS: 1

SEASONS WITH NFL: 19

Brad Holmes was named the Lions Executive Vice President and General Manager on January 14, 2021. In his role, he oversees the Lions' football operations and reports directly to Principal Owner and Chair Sheila Ford Hamp and President and CEO Rod Wood.

Holmes joins the Lions after spending the previous 18 seasons with the Los Angeles Rams (2003-2020). In 2013, the Rams elevated Holmes to Director of College Scouting, where he was responsible for overseeing the team's college scouting operations for the past eight seasons.

Holmes' vision for leading the Lions has so far been founded on a collaborative approach with Head Coach Dan Campbell as the two set out to reshape the roster in 2021. Placing an emphasis on players with grit, passion and football character, Holmes has begun the process of acquiring new talent that will set a foundation in his first year as executive vice president and general manager.

The first month of Holmes' tenure led to a blockbuster trade with the Los Angeles Rams that resulted in the Lions acquiring QB Jared Goff, a 2021 third-round pick and two future first-round draft picks in exchange for QB Matthew Stafford. As the team entered free agency, Goff's arrival was met with a veteran group of new players who are poised to play key roles on the team in 2021, including RB Jamaal Williams, WR Tyrell Williams, DE Charles Harris and LB Alex Anzalone.

In addition to several free agent signings, Holmes strategically arranged another trade with his former team to acquire veteran DL Michael Brockers. Holmes also made a concerted effort to re-sign key team leaders such as DE Romeo Okwara and C Frank Ragnow to multi-year contract extensions, rounding out his comprehensive plan to enhance the Lions roster in his first season as the team's top personnel decision-maker.

During his tenure leading the Rams college scouting department, Holmes helped the Rams capture two NFC West titles en route to three playoff berths and an appearance in Super Bowl LIII. After originally joining the Rams in 2003 as a public relations intern, Holmes transitioned into scouting and spent nearly two decades in a variety of roles within the organization's player personnel department, including NFS scout, area scout, national Combine scout and scouting assistant.

In his previous role, Holmes collaborated with the Rams' personnel directors to improve technological resources and enhance overall scouting procedures. While holding a prominent leadership role in the player personnel department from 2013-20, Holmes helped the Rams achieve a 64-58 record (.524), while having a total of 25 players named to the Pro Bowl during that span. He played an integral role in drafting

several key players on the Rams' current roster, including DT Aaron Donald, QB Jared Goff, WR Cooper Kupp and S John Johnson. Holmes was also instrumental in helping the Rams acquire All-Pro CB Jalen Ramsey via trade in 2019.

A Tampa, Fla. native, Holmes graduated cum laude from North Carolina A&T State University in 2002 with a Bachelor of Science in Journalism and Mass Communications and was a four-year letterman for the Aggies at defensive tackle. He was voted team captain and helped A&T win the 1999 Mid-Eastern Athletic Conference and Black College Football National Championship.

Holmes is the son of Melvin Holmes, who played offensive line for the Pittsburgh Steelers from 1971-73, and is also the nephew of former Lions defensive back Luther Bradley (1978 first-round pick). He is married to his wife, Lisa, and together they have two children.

CHRIS SPIELMAN

SPECIAL ASSISTANT TO PRESIDENT/CEO AND
CHAIRPERSON

SEASONS WITH LIONS: 1 SEASONS WITH NFL: 1

Chris Spielman re-joins the Lions in a front office role as Special Assistant to President/CEO and Chairperson.

He played an integral role in the hiring of Executive Vice President and General Manager Brad Holmes and Head Coach Dan Campbell and will report directly to President and CEO Rod Wood.

Spielman was originally drafted by the Lions in the second round (29th overall) of the 1988 NFL Draft following an All-American career as a linebacker at Ohio State. He is Detroit's all-time leader in career tackles with 1,138 and led the Lions defense for eight seasons (1988-95), helping the team to four playoff appearances, two NFC Central titles and a berth in the 1992 NFC Championship Game. He earned four Pro Bowl selections (1989, '90, '91 and '94) and was twice named the team's defensive MVP.

Spielman also spent time with the Buffalo Bills (1996-97), setting a team and personal record with 206 tackles during the 1996 season, and Cleveland Browns (1999).

Spielman entered the field of broadcasting at the conclusion of his playing career with FOX Sports in 1999. He joined ESPN in 2001, where he worked primarily on "ESPN College Football Saturday." He returned to FOX in 2016 as a color analyst for NFL games and spent seven years as an analyst for Lions Preseason TV.

A graduate of Washington High School (Massillon, Ohio) and The Ohio State University, Chris is married to his wife, Carrie, and together they share six adult children.

He also assumes leadership responsibilities over team operations, football information, video, equipment and team medical. Alongside his football operations duties, Disner helps facilitate collaboration between football and business processes within the organization.

During the 2021 offseason, Disner also worked closely alongside Principal Owner and Chair Sheila Ford Hamp, President and CEO Rod Wood and Special Assistant to President/CEO and Chairperson Chris Spielman to bring new leadership to Detroit throughout the head coach and general manager search. Together the group engineered the hiring of Executive Vice President and General Manager Brad Holmes and Head Coach Dan Campbell.

A West Bloomfield, Mich. native, Disner played baseball at Williams College (Mass.) where he earned a degree in Economics. He and his wife, Gail, have two sons, Teddy and Archie.

During the span of his five-year coaching tenure with New Orleans, the club captured four NFC South division titles, ranked first in the NFL in points scored (2,361), touchdowns (277), net yardage (31,147) and posted the third-most wins (56) in the League. In 2019, Campbell helped coach TE Jared Cook to a Pro Bowl berth in Cook's first season with the Saints. Cook established a career-high average for yards per reception (16.4) that season under Campbell, while fellow TE Josh Hill posted a career-high 25 receptions for 226 yards and three touchdowns.

In 2018, Campbell coached TE Benjamin Watson, who helped the Saints by recording 35 receptions for 400 receiving yards and two touchdowns. Hill added 16 receptions for 185 yards and a touchdown under Campbell's tutelage, while the unit's blocking helped pave the way for the NFL's sixth-ranked rushing offense that season. During the 2017 season, Campbell's group saw three different players make starts at tight end, while still helping produce the NFL's fifth-best rushing offense.

In 2015, Campbell became the Miami Dolphins' interim head coach following organizational changes, where he took over a 1-3 team that had lost three consecutive contests and immediately helped the team win its first two games under his leadership. The Dolphins finished 5-7 under Campbell that season, including a 20-10 win over the New England Patriots in the season finale. Under Campbell, Miami improved eight spots in the NFL's rushing yards per game rankings and saw five Dolphins selected to the Pro Bowl in 2015. Additionally, QB Ryan Tannehill became the first Dolphins signal-caller to pass for at least 4,000 yards in consecutive seasons since Dan Marino (1984-86).

Prior to taking over interim duties with the Dolphins, Campbell was responsible for mentoring Miami's tight ends unit dating back to 2011, after initially joining the Dolphins in 2010 as a coaching intern. In 2014, TE Charles Clay helped pace Campbell's unit with 58 receptions, 605 yards and three touchdowns, while the unit collectively helped pave the way for RB Lamar Miller's first 1,000-yard season.

Campbell entered the NFL coaching ranks following an 11-year playing career with the New York Giants (1999-2002), Dallas Cowboys (2003-05), Detroit Lions (2006-08) and New Orleans Saints (2009). A third-round selection by the Giants in the 1999 NFL Draft, the former tight end appeared in 114 total career games (76 starts) and caught 91 passes for 934 yards and 11 touchdowns. He was a member of the Giants team that appeared in Super Bowl XXXV following the 2001 season. In his first year as a player

with the Lions in 2006, Campbell posted career-highs in receiving yards (308), yards per reception (14.7) and touchdowns (four).

As the 28th head coach in franchise history, Campbell is also the fifth former Lions player to be named full-time head coach for the team and the first since Joe Schmidt, who played for Detroit from 1953-65 and served as head coach from 1967-72.

A Clifton, Texas native, Campbell attended Texas A&M, where he was a four-year letterman for the Aggies and majored in agricultural development. Campbell and his wife, Holly, have a son, Cody, and a daughter, Piper.

DUCE STALEY

SEASONS WITH NFL: 11

STALEY'S COACHING BACKGROUND

Detroit Lions	2021-
Assistant Head Coach/RBs	2021-
Philadelphia Eagles	2011-20
Assistant Head Coach/RBs	2018-20
Running Backs	2013-17
Special Teams Quality Control	2011-12

After an accomplished 10-year career as a running back in the NFL, Duce Staley entered the coaching ranks in 2010 as a coaching intern with the Philadelphia Eagles. After his coaching internship, Staley was soon hired by then-Eagles Head Coach Andy Reid into a full-time role as a special teams quality control coach in 2011. From that time, Staley earned multiple promotions throughout his 10 seasons on the Eagles coaching staffs, and has built a reputation as a bright, young coach. After two seasons under Reid, Staley was elevated to oversee the running backs in 2013 by new Eagles Head Coach Chip Kelly, who retained Staley for his coaching staff.

In Staley's first season coaching running backs, the Eagles offense reached new heights, setting then franchise records in significant categories such as points, total net yards, touchdowns, passing yards and fewest turnovers. In 2014, apart from fewest turnovers, the Eagles offense went on to break each record respectively, with Staley's unit playing an integral role in the offense's explosiveness.

Staley's mentorship played a key role in the dominance of RB LeSean McCoy during his stint with the Eagles. In 2013, McCoy reached a career high in rushing yards (1,607) and earned first-team All-Pro and Pro-Bowl honors for the second time in his career. McCoy's 2013 success was stamped with him leading the NFL in rushing yards and scrimmage yards (2,146). Both McCoy's rushing yards and scrimmage yards in 2013 set Eagles records as he became the first Eagle since Steve Van Buren in 1947 to lead the League in both rushing and scrimmage yards. McCoy, on several occasions, has publicly attributed his career-best seasons to Staley's mentorship and coaching during their time together in Philadelphia. Under Staley's guidance in 2014, McCoy finished third in the NFL in rushing with 1,319 yards, en route to his second consecutive Pro Bowl berth. In Week 14, McCoy broke Wilbert Montgomery's 30-year-old Eagles rushing record of 6,538 yards.

Following a transformation to the running backs room in 2015, Staley successfully helped two first-time Eagles tailbacks get quickly acclimated and produce results on the field. Working with Demarco Murray and Ryan Matthews, Staley's tandem of running backs continued to deliver in production. The duo of Murray and Matthews became the first pair of Eagles backs with six-or-more rushing touchdowns in a season since 2003. Matthews finished 2015 ranked fourth in the NFL in yards per carry (5.08).

Following another coaching staff change in Philadelphia in 2016, Doug Pederson saw fit to retain Staley on his staff as well. In just Staley's second season with Pederson in 2017, the rushing attack was a major factor in helping the club secure its first Super Bowl (LII) victory. The Eagles boasted the third overall rushing offense (132.2 ypg) in the NFL en route to their title. The team also owned the NFL's fourth-best rushing average (4.47 ypa) that season. Staley's running backs room consisted of key offensive contributors such as LeGarrette Blount and Jay Ajayi. Under Staley's tutelage, Blount earned the third-most rushing yards (776) by an Eagles running back age 30-or-older. Additionally, Ajayi ranked second

among NFL running backs in rushing average (5.83) over the last eight games of the regular season, after being acquired in a trade with the Miami Dolphins in Week 9.

Prior to Detroit, Staley's most recent success with the Eagles included his work with Eagles RB Miles Sanders in 2019. Sanders was named to the PFWA All-Rookie Team after leading all NFL rookies in all-purpose yards (1,641) and scrimmage yards (1,327). His 2019 campaign also set new Eagles records in both rushing yards (818) and scrimmage yards (1,327) for rookies.

Marked by his own career as a powerful, elusive rusher, Staley was a third-round draft selection (71st overall) by the Eagles in 1997 out of South Carolina, where he rushed for 1,852 yards from 1995-96. He was elected to South Carolina's Athletic Hall of Fame in 2012.

Staley played for the Eagles for seven seasons (1997-2003) before finishing his career with the Pittsburgh Steelers from 2004-06. He gained 5,785 yards during his career, including the fifth-most rushing yards (4,807) in Eagles history. He is one of just three players in Eagles history to eclipse 200 rushing yards in a single game (Van Buren and McCoy). Staley also ranks sixth in Eagles history with 7,305 total yards from scrimmage. He was voted as the Eagles offensive MVP three times (1998, '99 and 2002) and earned a Super Bowl XL championship ring with the Steelers in 2005.

Dating back to his playing days, Staley has built a reputation as being active in the community, including his work with the Special Olympics and the First Steps early childhood education program. He launched the Catch 22 foundation to assist single mothers, and in 2003, traveled to Iraq, Kuwait and Qatar as part of the USO Tour to greet U.S. troops stationed abroad.

A Columbia, S.C. native, Staley has five children, Davin, Damani, Dania, King and Steele. He is married to his wife, Maria.

ANTHONY LYNN

OFFENSIVE COORDINATOR

SEASONS WITH LIONS: 1

SEASONS WITH NFL: 22

Anthony Lynn joined the Lions in 2021, after most recently serving as the head coach of the Los Angeles Chargers for four seasons (2017-20).

During his head coaching tenure in Los Angeles, Lynn posted a 33-31 (.516) record while going 1-1 in the postseason following the 2018 season. In his last season with the Chargers, Lynn was instrumental in the first-year success of Chargers rookie QB Justin Herbert and his development. Under Lynn's leadership, Herbert set NFL rookie records for most touchdown passes and most total touchdowns and was selected as the 2020 AP Offensive Rookie of the Year and the PFWA Rookie of the Year. After Chargers QB Tyrod Taylor was injured early in the season, Lynn's decision to move forward with Herbert as the starter for the next 15 games was instrumental in Herbert's accomplished rookie campaign. Herbert took over as the Chargers starting QB in Week 2 vs. Kansas City and threw for the fourth-most passing yards (311) in a debut since the 1970 NFL-AFL merger. Herbert's 4,336 passing yards in 2020 marked the second-most for an NFL rookie quarterback.

In 2019, Lynn saw a productive offense with numerous players on the Chargers roster receive Pro Bowl nods for consecutive seasons. Both Keenan Allen and Melvin Ingram III went to their third-straight Pro Bowls in 2019, while Joey Bosa went to his second Pro Bowl in three seasons with Lynn at the helm. Additionally, in 2019, Allen set a team record for catches in a season (104) and the Chargers had a pair of 1,000-yard receivers in Allen and Mike Williams. In the backfield, RB Austin Ekeler posted 92 receptions and 993 receiving yards with eight touchdowns.

Lynn's leadership with the Chargers in 2018 produced the club's first playoff appearance since 2013 and their best record since 2009 by posting a 12-4 mark in just his second season with the team. With a team marked by several contributors, and a resilient mentality, Lynn's squad led the NFL with seven Pro Bowl selections in 2018, in addition to an impressive eight-straight road victories. At the conclusion of the season, Lynn's accomplished 2018 campaign was recognized by the Fritz Pollard Alliance with the Paul "Tank" Younger Award, and he was named Coach of the Year by the Los Angeles Sports Council.

In Lynn's first season with the Chargers, he rallied the team from an 0-4 start to win nine of the final 12 games, including six of the last seven contests. The nine wins over the 12-game span was the best mark for Los Angeles since the team won the last 11 games of the 2009 season. The team also notched five-straight home wins, the best run at home since the 2009 season.

With Lynn making his immediate mark on the offense in his first season at the helm, the Chargers turned the ball over just 15 times in 2017, improving to fourth in the NFL in that statistical category.

Prior to his time with the Chargers, Lynn coached for the Buffalo Bills from 2015-16 as the assistant head coach, in addition to coaching the running backs. In 2016, Lynn took on additional responsibilities to his role with Buffalo, serving as the team's offensive coordinator for the final 14 games, before he concluded the season as the interim head coach in the team's final game. In both of his seasons coaching in Buffalo, the Bills led the NFL in rushing yards, rushing touchdowns and yards per carry. With a track record of successfully running the football, Lynn's imprint on the running game with both the New York Jets (2009-14) and Bills was evident. During the span of his stints with the Jets and Bills, Lynn's two coaching stops saw his teams combine to rush for 18,218 yards during that span (2009-16), the most combined yards in the NFL over that time period.

A native of Celina, Texas, Lynn played running back at Texas Tech and earned All-Southwest Conference honors, rushing for 1,911 yards and 17 touchdowns on 481 carries. He entered the NFL in 1992 as an undrafted free agent with the New York Giants and went on to spend time with the Denver Broncos (1993-94, 1997-99) and the San Francisco 49ers (1995-96). He concluded his career in Denver where he won back-to-back Super Bowl championships (XXXII and XXXIII) with the Broncos, after playing in 83 career games.

After ending his professional playing career, Lynn immediately entered the coaching ranks in 2000 with the Broncos as an offensive assistant and assisting special teams for three seasons (2000-02). He earned his first full-time position as the running backs coach for the Jacksonville Jaguars in 2003. He went on to hold the same title as overseeing the running backs with the Dallas Cowboys (2005-06) and Cleveland Browns (2007-08), before working with the Jets.

Lynn is married to his wife, Stacey, and he has two children, son, D'Anton, and daughter, Danielle. Stacey was a news anchor at WNBC in New York City. D'Anton played football collegiately at Penn State and professionally with the New York Jets and the Canadian Football League's Hamilton Tiger-Cats and is currently the defensive backs coach for the Baltimore Ravens. Danielle is currently the COO of the Lynn Family Foundation and the ambulatory program manager at Dallas Southwest Hospital.

In 2020, the Saints defense was one of the best in the NFL, finishing fourth in yards allowed per game and fifth in points allowed per game. During his time with the Saints, Glenn's unit was a key contributor to the success of the club's overall defensive accomplishments. With his leadership, Glenn played an integral role in the development of many of the team's top defensive playmakers in the secondary unit such as CB Marshon Lattimore, S Marcus Williams, S Vonn Bell and CB C.J. Gardner-Johnson.

In 2020, New Orleans tied for first in the NFL in interceptions recorded (18), while the defense tied for the third-most (26) total takeaways in the NFL. In 2019, the Saints recorded 13 interceptions, while Glenn's defensive backs accounted for nine of them. By helping develop the defensive secondary to be a versatile group, Glenn's unit also produced 3.0 sacks, six forced fumbles and seven fumble recoveries in 2019. Additionally, he had a helping hand in the growth of Bell, who totaled five fumble recoveries, the most in the NFL in 2019.

While coaching in New Orleans, Glenn helped Lattimore reach three Pro Bowls in his first four seasons (2017-20), as Lattimore led the team with 14 pass defenses in 2019. With Glenn's assistance, Lattimore continued to experience growth in his second NFL season in 2018. Glenn's defensive backs recorded 12 total interceptions, 3.0 sacks, nine forced fumbles and six fumble recoveries, while Lattimore led the team with five solo takeaways and added two interceptions in the NFC Divisional Playoff win over the Eagles. After the Saints acquired CB Eli Apple in the middle of the 2018 season, Glenn helped Apple establish himself in the backend of the defense instantaneously. In 10 games played with the Saints, Apple posted three takeaways.

Under Glenn's tutelage, Lattimore generated a historic rookie season in 2017, where he started in 12 games and lead all NFL rookies with a team-high five interceptions. Lattimore also tied the rookie lead with a team-best 18 pass defenses and became the youngest Saints player to be selected to the Pro Bowl and the franchise's first AP Defensive Rookie of the Year.

In his first year in Cleveland, Glenn worked with a secondary unit that earned three Pro Bowl nods in S Tashaun Gipson, CB Joe Haden and S Donte Whitner. The 2014 season marked the first time in team history that the Browns had three defensive backs selected to the Pro Bowl. Cleveland led the NFL in opponent passer rating (74.1), completion percentage (57.1) and passe defenses (99).

Additionally, the Browns finished second in the NFL with 21 interceptions, the team's highest total since 2008. They also finished ranked fifth in the League in yards per pass attempt (6.44), fifth in red zone defense (46.3) and ninth in points per game (21.1). The Browns defense was the only one in the NFL to have two players with at least 18 pass defenses, as Haden led the team and finished second in the League with 20, while Buster Skrine tied for fourth with 18. During that season, despite missing the final five games, Gipson finished second in the NFL with six interceptions, which were the most by a Brown since 2010.

Prior to Cleveland, Glenn spent two seasons (2012-13) working in the New York Jets front office. He served as a college area scout in 2013 after a season as a pro personnel scout.

Lee earned Pro Bowl honors in 2009 after leading the NFC in gross punting yards (4,711), gross punting average (47.6) and net punting yards (4,056). Fipp went on to work with the Miami Dolphins in a similar position coaching special teams from 2011-12.

After earning the special teams coordinator position with the Eagles in 2013, Fipp's unit ranked first in Rick Gosselin's *Dallas Morning News* special teams ranking in just Fipp's second season as coordinator. The Eagles special teams group finished first in the NFL with a league high of seven special teams touchdowns during the 2014 season.

Fipp had a helping hand in guiding Elliott to a memorable rookie season in 2017, when Elliott converted the longest regular-season (61 yards) and postseason (53 yards) field goals in franchise history. Elliott also kicked the longest field goals (42, 46 yards) by a rookie in Super Bowl history that season in Philadelphia's Super Bowl LII victory.

PRIDE OF THE LIONS

On November 22, 2009, the Lions unveiled the team's Pride of the Lions, a permanent stadium display honoring greatest players in team history during a halftime celebration at Ford Field against the Cleveland Browns. The team introduced the 12 members of the Pride of the Lions charter class. The Pride of the Lions is a very visible feature on the old Hudson's warehouse of Ford Field (south suite levels) that includes the players' jersey numbers, name and years played with the Lions.

LIONS ALL-PROS

The Associated Press All-Pro Team (First Team) dates back to 1930. In 1951, the AP began designating the All-Pro Team by offense and defense. From 1930-50, positions selected included the following: End (E), Tackle (T), Guard (G), Center (C) and Back (B). This designation represented the offensive and defensive systems of the era as well as the commonality of two-way players. The first year the offensive backfield was separated by Quarterback, Fullback and Half (Running) Back was 1954. The first year the AP designated the defensive backfield by Safety (S) and Cornerback (B or CB in 1963) was 1955. Wide Receiver (WR), also known as Flanker (FL) from 1963-69, were first separated in 1963, having been previously combined as the End (E) position. Punter (P) and Placekicker (PK) were first honored in 1970 and Kick Returner (KR) in 1978.

HISTORY

BRIEF HISTORY OF THE LIONS

Detroit welcomed the Lions in 1934, but it was not the area's first look at professional football. In 1920, the Detroit Herald were a charter member of the American Professional Football Association, which was the original name of the present NFL, but the club folded after two years. The Detroit Panthers appeared in 1925, but also folded after two seasons. In 1928, the Detroit Wolverines were formed, but they failed after just one year.

In 1930, the then-10-year-old National Football League added a franchise from Portsmouth, Ohio, called the Spartans. After four seasons, the team was purchased for \$7,952.08 by a group headed by Detroit radio executive George A. Richards and moved to the Motor City.

Playing in the University of Detroit Stadium before crowds that averaged 16,000, the new Detroit Lions won the NFL Championship in only their second year (1935). Under the leadership of Coach "Potsy" Clark and stars like Hall of Famer "Dutch" Clark, Ernie Caddel, George Christensen, "Ace" Gutowsky, Glenn Presnell and "Ox" Emerson, the early Lions established pro football in Detroit.

In 1940, Chicagoan Fred Mandel bought the club. Lions' stars of that era included Hall of Famers Bill Dudley and Alex Wojciechowicz, John Green, Byron "Whizzer" White, Frank Sinkwich and "Camp" Wilson. The team was sold eight years later to a group of local businessmen under the leadership of Edwin J. Anderson. The Detroit syndicate controlled the club until 1964, when William Clay Ford became the sole owner for a price of \$4.5 million.

The Lions dominated the NFL in the 1950s with four division titles and three league championships. Under the direction of head coach Buddy Parker, the team won back-to-back world crowns in 1952-53, defeating Cleveland on both occasions. Stars of those powerful teams were Hall of Famers Bobby Layne, Jack Christiansen, Doak Walker and Lou Creekmur, as well as Les Bingaman, Cloyce Box, Leon Hart and Bob Hoernschemeyer. The Detroit-Cleveland battles of the era were classic confrontations between two giants of the blossoming NFL.

Since their last title in 1957 under the coaching of George Wilson, the Lions have continued searching for the league's top spot. Such performers as Joe Schmidt, Yale Lary, Dick "Night Train" Lane, John Henry Johnson and Lem Barney have been elected to the Hall of Fame. Outstanding players such as Wayne Walker, Mike Lucci, Nick Pietrosante, Roger Brown, Terry Barr, Mel Farr, Charlie Sanders, Dexter Bussey, Billy Sims and Doug English have also taken their places in the annals of pro football in Detroit.

In 1967, Schmidt began the first of six seasons as head coach of the Lions. His 1970 team made the playoffs, (first postseason trip since '57) but lost in the first round to Dallas by the baseball-like score of 5-0.

Prior to the 1975 season, the Lions moved into a new, domed stadium in Pontiac, Mich., a suburb located 30 miles north of Detroit. The Silverdome was, at one time, the world's largest air-supported domed structure and seated over 80,000 spectators under a fiberglass roof.

Monte Clark took control of all football operations as head coach in 1978. Under Clark's direction, the Lions

narrowly missed playoff berths in 1980-81, before qualifying in 1982 – the Lions' first playoff appearance since 1970. Detroit captured the NFC Central Division crown in 1983, but stumbled in the first round of the playoffs with a 24-23 loss at San Francisco.

Darryl Rogers took over for Clark in 1985 but was replaced on an interim basis by his defensive coordinator Wayne Fontes in November 1988 after Rogers' teams had posted a combined 18-40 record. Fontes was officially named the franchise's 18th head coach on December 22, 1988.

The Lions "Restored the Roar" in 1991, winning a franchise-record 12 regular season games. Riding a tide of emotion after guard Mike Uteley's paralyzing neck injury, Detroit defeated Dallas, 38-6, in the Lions' first Silverdome playoff contest. The victory gave the Lions a berth in the NFC Championship Game, where Detroit fell to the eventual Super Bowl Champion Washington Redskins.

The Lions finished 10-6 in 1993 en route to capturing the NFC Central Division title, and earned a Wild Card playoff bid in 1994. The 1995 Lions featured the NFL's top-rated offense and won their final seven games to earn a third straight playoff berth. Herman Moore set an NFL record with 123 catches, and he and Brett Perriman became the first teammates to each total over 100 catches in the same season. The receiver tandem also set the NFL record for most receiving yards in a season. Quarterback Scott Mitchell set team passing records for yards (4,338), completions (346) and touchdowns (32).

In 1996, running back Barry Sanders captured his third NFL rushing title with a dramatic 175-yard outburst on the final Monday night of the season in San Francisco. The Lions, however, finished a disappointing 5-11 in '96 and following the season, Fontes was replaced as head coach by former San Diego Chargers' head coach, Bobby Ross. Fontes, who was the head coach for more than eight full seasons, finished his career as the team's all-time leader among head coaches in both wins (67) and games coached (138).

Ross was named the 19th head coach in team history January 13, 1997, and led the club back to the playoffs in his inaugural year at the helm with a 9-7 record. That season, Sanders, who was inducted into the Hall of Fame in August 2004, continued his storybook career by becoming only the third player in league history to record 2,000 yards rushing in a single-season (2,053) and he reeled off an NFL record 14 consecutive 100-yard outings to finish the season.

The Lions closed out the 1990s reaching the playoffs for the sixth time in the 10-year span, which is a franchise record for playoff appearances during a decade. Detroit's playoff berth in 1999 marked the second time in Ross' first three years as head coach that he led the Lions into the postseason. The last Lions' head coach to accomplish that feat was Buddy Parker in 1952-53 during his second and third seasons at the helm.

After playing nine games into the 2000 season and compiling a 5-4 record, Ross abruptly resigned as head coach November 6 and was immediately replaced by Gary Moeller. Moeller guided the team to a 4-3 record over the last seven games, but narrowly missed the playoffs with a loss to the

Chicago Bears in the season finale. Following the season, William Clay Ford named Matt Millen president and CEO, and he assumed control over team operations. On January 25, 2001 Gary Moeller was replaced as head coach by former San Francisco 49ers offensive coordinator Marty Mornhinweg.

On April 1, 2002, Detroit relocated the team's day-to-day operations into the new \$36 million Headquarters and Training Facility in Allen Park. The new complex featured outdoor and indoor practice fields, spacious training and meeting rooms and even the team's own broadcast studio.

A new era in Lions' history dawned as Ford Field, the team's \$500 million downtown Detroit stadium, opened its doors in August 2002. The 65,000-seat stadium sparked as its retro and innovative features glistened in the national spotlight as the premiere sports and entertainment complex. The Lions played the first game at Ford Field August 24, 2002 in a preseason tilt against the Pittsburgh Steelers. The inaugural regular season game was played between the Lions and the Green Bay Packers September 22, 2002.

In January 2003, Mornhinweg was fired after two seasons and former San Francisco 49ers Head Coach Steve Mariucci was tabbed the new Lions' head coach February 4.

For the first time since the Lions placed the Leaping Lion logo on the players' helmets in 1961, Detroit announced a major addition to the team's uniform on April 23, 2003. The Lions' classic uniform was enhanced with black trim on the logo, jerseys and pants, along with black shoes and black facemasks. In April 2005, the team introduced an alternate black jersey that would be worn through 2007.

On November 28, 2005, Steve Mariucci was relieved of his duties as head coach and defensive coordinator Dick Jauron was named interim head coach for the remaining five games.

In 2006, the Lions hired Rod Marinelli as the team's 24th head coach, a position he would hold through 2008.

In 2008, the Lions commemorated the franchise's 75th season in Detroit. Just a handful of NFL teams have been around as long as the Lions, a franchise that spans several generations of fans over the years. Detroit has called three different stadiums home with nearly 1,400 players seeing action on a given gameday and numerous coaches strolling the sideline. That history is rich with great players who have donned the uniform – the Lions are one of only nine teams to have at least 18 Pro Football Hall of Fame players don their respective uniforms – and with traditions like the “Honolulu Blue and Silver,” the leaping Lion logo, the “Roaring 20's” and the team's annual Thanksgiving Tradition.

In 2009, for the first time in franchise history, the team entered the season with a new president, Tom Lewand, a new general manager, Martin Mayhew, and a new head coach, Jim Schwartz, hired January 16, 2009. In that same year, the Lions introduced a new logo and new brand, along with new team uniforms that featured the first significant change to the Lions logo since it was introduced in 1961.

Schwartz labeled the 2011 season upon its conclusion as not a great year, but an important one. Perhaps most notably, 2011 will be remembered for the “comeback” as the Lions returned to the playoffs for the first time since 1999 and set NFL records with four comeback wins of 13+ -points, three comeback wins of 17+ -points and two back-to-back 20+ -point comeback wins. The Lions set several team

records, including points (474) and yards (6,337), as well as individual records. Perhaps the two biggest stars leading the Lions in 2011 were QB Matthew Stafford, named AP Comeback Player of the Year, and All-Pro WR Calvin Johnson.

In 2012, the season was highlighted by Johnson's remarkable performance as he broke the NFL record for receiving yards in a single season. He finished with 122 receptions for 1,964 yards, breaking Jerry Rice's previous record of 1,848 yards in 1995. One season later in 2013, Stafford became the Lions all-time leader in career passing yards, breaking the previous record of 15,710 yards held by Hall of Fame QB Bobby Layne that stood for 55 years. Stafford reached this feat in only 55 career games, while Layne accomplished his mark in 97 games. He became the first Lions QB to reach 17,000 career passing yards.

After five seasons with the team (2009-13), Schwartz was dismissed as head coach on December 30, 2013.

A new era for Lions football began January 14, 2014 with the introduction of Jim Caldwell as the team's new head coach. Caldwell arrived in Detroit after leading the Indianapolis Colts to the Super Bowl as a head coach and won Super Bowls with both the Colts and the Baltimore Ravens.

On March 9, 2014, Lions Owner and Chairman William Clay Ford passed away at the age of 88. Mr. Ford purchased the team on January 10, 1964 and owned the team for 50 years. With his passing, ownership of the Lions organization was passed to his wife, Martha Firestone Ford, as she succeeded her late husband as Owner and Chairman of the Board for the franchise.

Caldwell led the Lions to an 11-5 record the ensuing season and a berth in the NFC Wild Card game, becoming just the third coach in team history to lead the Lions to the playoffs in his first year with Detroit. He also became one of only four coaches to lead the Lions to 11+ wins in a season.

Martin Mayhew and Tom Lewand were relieved of their duties on November 5, 2015. Rod Wood was hired as team president on November 19, 2015, as the Lions went on to finish the season 7-9, winning six of the team's final eight games of the 2015 season.

On Jan. 8, 2016, Bob Quinn was named Lions Executive Vice President of Football Operations and General Manager following 16 seasons with the New England Patriots. In Quinn's first season at the helm, the Lions posted a 9-7 record en route to a berth in the playoffs for the second time in three years. In doing so, Quinn also became the Lions' first general manager to guide the team to the playoffs in his inaugural season since Nick Kerbawy in 1952.

Jim Caldwell was relieved of his duties following the final game of the 2017 season as the Lions finished 9-7 for a consecutive year. Matt Patricia was named the new head coach of the Detroit Lions on February 5, 2018, bringing more than 20 years of coaching experience in the college and professional ranks, including 14 consecutive seasons (2004-17) with the New England Patriots.

On June 23, 2020, Sheila Ford Hamp assumed the role of Principal Owner and Chairman after her mother, Martha Firestone Ford, transitioned to Chairman Emeritus after six seasons as the team's principal owner.

On Nov. 28, 2020, the Lions relieved Executive Vice President of Football Operations and General Manager Bob

Quinn and Head Coach Matt Patricia of their duties.

On Jan. 14, 2021, the Lions named Brad Holmes the team's new Executive Vice President and General Manager. Holmes spent the previous 18 seasons with the Los Angeles Rams, ultimately ascending to the team's director of college scouting.

The Lions named Dan Campbell as the team's new head coach on Jan. 20, 2021. Campbell played 11 seasons as an NFL tight end and spent 11 seasons as an assistant NFL coach before assuming the role of head coach. He became the fifth former Lions player to be named a full-time head coach for the club.

CALCULATING TIES

Ties were not calculated in winning percentage (wins/ wins + losses) prior to 1972. Since 1972, ties have counted as half-a-win when calculating winning percentage (wins + .5 ties/games played).

LIONS TALES

NAMING THE LIONS

When the team moved to Detroit from Portsmouth, Ohio in 1934, the organization settled on the name that would be uttered in Detroit and all around the league to this very day. After deciding to be known as the Lions, (staying consistent with the jungle cat image of the city's baseball team, the Tigers) two Lion cubs were given to the team by John Millen of the Detroit Zoo. Their names were "Grid" and "Iron." They accompanied the team to all of their games.

- The previous Detroit professional football teams were known as the Heralds, Panthers and the Wolverines.

HOMES OF THE DETROIT LIONS

In 2002, the Lions moved into their current home, Ford Field, in downtown Detroit. It marked the team's return to the city for the first time since 1974.

GRIDIRON HEROES

As the new pro football franchise took root in Detroit, owner G.A. Richards called for an original fight song to be written for the Lions. In the late 1930s, Wayne State University director of bands Graham T. Overgard, who was also the Lions' director of entertainment, penned the lyrics and music for "Gridiron Heroes – The Victory Song of the Detroit Lions."

"Gridiron Heroes" has become one of the NFL's oldest and most popular songs today, and it is still played after each Lions' score.

[Verse]

Hail the colors Blue and Silver let them wave.
Sing the song and cheer the Gridiron Heroes
brave,

Fighting for fame, winning the game.
Dashing to victory as they go.

[Chorus]

Forward down the field,
A charging team that will not yield.
And when the Blue and Silver wave,
Stand and cheer the brave.

Rah, Rah, Rah!
Go hard win the game.
With honor you will keep your fame
Down the field and gain,
A Lion victory!

PAPER LION

Filming of the George Plimpton book, "Paper Lion," began in early 1968. Alan Alda starred as Plimpton, the Sports Illustrated feature writer who masqueraded as a quarterback with the Lions during training camp. The world premiere was held Thursday, Oct. 3, 1968, at the Adams Theatre. The film introduced Lauren Hutton to the silver screen, and featured actual members of the Detroit Lions, including coach Joe Schmidt, Alex Karras, John Gordy, Mike Lucci, Pat Studstill and Roger Brown.

- The 2003 season marked the 40th anniversary of George Plimpton's visit to Lions' training camp when he began writing the original script for his book. 2017 was also the 35th anniversary of the "Paper Lion" movie release.
- The Detroit Lions reunited most of the cast in 2003 with a "Paper Lion" reunion that was held in September. Forty players, including Plimpton and Karras, rekindled friendships that formed during their experience together in the 1960s.
- The reunion turned out to be the final chapter of Plimpton's life as he passed away days later (September 26, 2003) at the age of 76.

IN MEMORIAM

Several members of the Detroit Lions served in World War II and made the ultimate sacrifice for their country in the fight against fascism.

- Lt. **Charles Behan** was killed by Japanese machine gun fire on Okinawa, May 18, 1945.
- Sgt. **Alex Ketzko** was killed in France with Patch's Seventh Army, Dec. 23, 1944.
- Lt. **Chet Wetterlund** was killed flying a Navy Hellcat on night patrol along the New Jersey coast, Sept. 5, 1944.

DECADE OF DOMINANCE

Only a handful of great teams over the years in the NFL can claim the title of dynasty. One of those great teams was the Detroit Lions in the 1950s when the franchise captured world championships three times in a six-year span. Winning three championships in six years has occurred only 10 times by eight different teams in the history of the NFL.

- Detroit won back-to-back titles in 1952 and 1953 and became the third team since the beginning of NFL Championship games in 1933 to win championships in consecutive years.
- Overall since 1933, back-to-back titles has occurred just 15 times. Including 1954, the Lions appeared in the NFL title game four times in a six-year period.

DEEPLY ROOTED IN TEXAS

The Detroit Lions have a deep history of outstanding players who have Texas roots. Five players on the Lions' All-Time Team played college football in the Lone Star State, including: QB **Bobby Layne** (Texas), S **Yale Lary** (Texas A&M), RB **Doak Walker** (Southern Methodist), G **Harley Sewell** (Texas) and DT **Doug English** (Texas). Layne, Lary and Walker are all members of the Pro Football Hall of Fame.

- Joining those stars on the franchise's All-Time Team are Texas prepsters CB **Dick "Night Train" Lane** (Austin), who is also a member of the Pro Football Hall of Fame, and RB **Billy Sims** (Hooks).
- Layne, Lane, Lary and Walker are all members of the **Pride of the Lions** charter class.

Texas roots go back even deeper with Layne and Walker who grew up only a few blocks apart in Dallas, Texas, and were childhood friends. Both players started in the backfield at Highland Park High School in 1943. After stints in the military during World War II, Layne went to Texas University while Walker played for rival Southern Methodist University. The two were reunited when they joined the Lions in 1950.

- That connection has been revisited when the Lions drafting QB **Matthew Stafford** with the first overall pick in the 2009 NFL Draft. Stafford also is from Highland Park, Texas and went to the same high school as Layne and Walker.

THE ORIGINAL DETROIT LIONS OFFICES

Where were the first offices of the Detroit Lions located? Shortly after the club's move from Portsmouth, Ohio, Lions owner G.A. Richards, who also owned radio station WJR, set up Head Coach George "Potsy" Clark with a temporary office in room 2107 of the Fisher Building, in downtown Detroit.

- Since 2002, the Lions have operated out of the team's headquarters in Allen Park, with portions of the organization's business operations housed in the old Hudson's warehouse portion of Ford Field.

LIONS THANKSGIVING DAY TRADITION

It was, legend says, a typically colorful, probably chilly, November day in 1622 that Pilgrims and Native Americans celebrated the new world's bounty with a sumptuous feast.

They sat together at Plymouth Plantation (they spelled it Plimouth) in Massachusetts, gave thanks for the goodness set before them, then dined on pumpkin pie, sweet potatoes, maize, cranberry sauce, turkey and who knows what else.

Actually, fish was just as predominant a staple. And history books say pumpkin pie really debuted a year later. But regardless of the accuracy of the details, that's how Thanksgiving Day is seen by Americans – except Detroiters.

They may have most of the same images as everyone else, but with a new twist that began in 1934.

That's when Detroiters and their outstate Michigan compatriots found themselves at the dawn of an unplanned behavior modification, courtesy of George A. "Dick" Richards, owner of the city's new entry in the National Football League: The Detroit Lions. - Larry Paladino, Lions Pride, 1993

Four generations of Detroiters have been a proud part of the American celebration of Thanksgiving. The relationship between Detroit and Thanksgiving dates back to 1934 when owner G.A. Richards scheduled a holiday contest between his first-year Lions and the Chicago Bears. Some 80 years later, fans throughout the State of Michigan have transformed an annual holiday event into the single greatest tradition in the history of American professional team sports. Indeed, if **football** is America's passion, **Thanksgiving football** is Detroit's passion.

The game was the brainchild of Richards, the first owner of the Detroit Lions. Richards had purchased the team in 1934 and moved the club from Portsmouth, Ohio to the Motor City. The Lions were the new kids in town and had taken a backseat to the baseball Tigers. Despite the fact the Lions had lost only one game prior to Thanksgiving in 1934, the season's largest crowd had been just 15,000.

The opponent in 1934 was the undefeated, defending World Champion Chicago Bears. The game would determine the champion of the Western Division. Richards had convinced the NBC Radio Network to carry the game coast-to-coast (94 stations) and additionally, an estimated 26,000 fans jammed into the University of Detroit Stadium while thousands more disappointed fans were turned away. The game was the NFL's first on a national broadcast.

In 2009, the Lions Thanksgiving Day game against Green

Bay marked the NFL's 75th anniversary of the first NFL national game broadcast. Graham McNamee was the announcer for NBC Radio for that historic game in 1934.

Despite two Ace Gutowsky touchdowns, the Bears won the inaugural game 19-16, but a classic was born. Since 1934, 80 games have been played with the Lions holding a 37-41-2 record in the series. And each game, in its own way, continues to bring back memories of Thanksgiving, not only to Lions fans, but to football fans across the nation.

THANKSGIVING DAY FACTS

- The series began Nov. 29, 1934 when Detroit played host to the Chicago Bears. In the first Thanksgiving Day game, the Lions were defeated by the Bears 19-16.
- A total of 81 games have been played with the Lions owning a 37-42-2 record in the annual holiday classic.
- More than 4 million fans have witnessed the Lions' 81 Thanksgiving Day games. The total attendance for the first 81 games is 4,569,137 an average of 57,114 fans per game. For the first time in team history, there were no fans in attendance for the team's 2020 Thanksgiving game, due to COVID-19 restrictions.
- Detroit had won on Thanksgiving Day from 2013-16, marking the team's longest streak in the holiday classic since winning four-straight from 1997-2000.
- The Lions have played 24 different teams since the first Thanksgiving Day game. The most common opponent has been the Green Bay Packers, who the Lions played in 2013 for the 21st time in the Thanksgiving series. Their second most common opponent is the Chicago Bears (18 times).
- The two highest scoring games were a 44-40 Packers' win in 1986 and a 52-35 romp over Green Bay in 1951.
- The lowest scoring game was a 12-0 Philadelphia win in the 1968 "Mud Bowl."
- Twelve times in the series has a game been decided by three points or less, with the Lions' record standing at 5-5-2 in those meetings.
- The most lopsided game was a 45-3 Lions win over Pittsburgh in 1983.
- Seven shutouts have been recorded, but only one by the Lions (20-0 over the Bears in 1979).
- Three Thanksgiving Day games have gone into overtime. The first came in 1980 when the Bears' David Williams returned the opening kickoff of OT for a 95-yard touchdown. At the time, the game marked the shortest overtime game in NFL history (21 seconds). The second overtime game occurred in 1998 when the Lions defeated the Steelers 19-16 on a 42-yard Jason Hanson field goal in a game that will be remembered for the controversial coin toss before overtime began. The third occurred against the Houston Texans in 2012 in a game categorized by back-and-forth possessions and two missed field goals from each side, with Houston K Shayne Graham pulling out a 32-yarder for the win.

UNIFORM HISTORY

1934-1947: The first uniform donned by the Detroit Lions included a blue jersey with gleaming silver numerals, silver pants and a silver helmet. The shoes were black. The shade of blue used for the jersey became known as 'Honolulu' blue.

1948: Alvin 'Bo' McMillin joined the Lions after having success as a college coach at Indiana University. Soon after his arrival, McMillin changed the colors of the Lions' uniforms with the new colors resembling those of his Hoosier teams. The organization retained Honolulu blue and silver as their official colors.

- The jersey was scarlet with white numbers and the pants were white with a thin black stripe between two thin scarlet stripes. The helmets were black. All the players wore leather helmets that season due to the league's ban on plastic helmets.
- The team had a second, all-black uniform, which would be worn only for certain important games that McMillin particularly wished to win. The jersey was black with white numbers and the pants were black with a thin scarlet stripe between two thin white stripes.
- The two uniform sets ended up being worn in four different combinations (scarlet/white; black/black; scarlet/black; black/white).

1949: The Lions returned to wearing their Honolulu blue and silver uniforms at home but continued to wear combinations of the scarlet and white uniforms and the all-black uniforms on the road. The team changed the color of their helmet to blue and some players went back to wearing plastic helmets after the NFL lifted the ban on plastic headgear from the previous season.

1950-55: After wearing five different combinations of scarlet, white, black, silver and Honolulu blue in the previous two seasons, the Lions went back to wearing the traditional Honolulu blue and silver uniforms at home and on the road. For most of the 1950 season the team wore blue helmets but went back to wearing silver helmets for the 1951 season. During the early 50's, the NFL did not allow the Lions to wear silver helmets for night games because of their resemblance to the white ball under the night lights. They spray-painted their helmets blue for night games. Also, in 1951, the Lions wore the Detroit 250th Anniversary patch on their left sleeve. The patch was also worn by the Red Wings and Tigers.

1956: This was the first season that the Lions added their uniform numbers to the arm sleeves. Some players, like Lions Hall of Fame LT Lou Creekmur, were unhappy with the change - claiming that it made it harder to get away with holding.

1957-60: The Lions began wearing separate colored uniforms on the road on a permanent basis in 1957. The jersey was white with three blue stripes, one thick between two thin stripes, on the sleeves. The numbers were blue and the helmet and pants remained silver.

- They wore a white jersey on at least one other occasion in a previous season. On Oct. 24, 1954, the Lions wore a similar white uniform in a game at San Francisco which they lost, 37-31, to the 49ers.

1961-67: In 1961, William Clay Ford's first season as the team's president, there were some significant uniform changes. The helmet remained silver with a grey facemask but now had the leaping-lion logo as well as two vertical blue stripes running from the back to the front. The pants also had two vertical blue stripes. Three silver stripes, one thick between two thin, were added to the arm sleeves of the home jersey. The away jersey remained the same.

- During the mid-60s, many players cut off part of the sleeves-giving appearance of only one or two stripes.

1968-69: 1968 was the first year the Lions had a white stripe between the two blue stripes on the helmet. The Lions and the rest of the league wore the NFL 50th Anniversary patch on their left shoulder in 1969.

1970-71: Last names were added to the back of the players' jerseys in silver lettering and white trim was added to the Leaping Lion logo on the helmet in 1970.

- For the second half of the 1971 season, the Lions wore a black band, which was sewn over the thick stripe on the left sleeve on their home and away jerseys, in honor of wide receiver Chuck Hughes. Hughes died of a heart attack with 62 seconds remaining in the fourth quarter against the Chicago Bears on Oct. 24, 1971.

1972: The Honolulu blue home jersey had white trim on the silver numerals and the white jerseys had silver trim on blue numerals for the first time in 1972. It was also the first year that there was a white, vertical stripe between the two blue stripes on the pants.

- The Lions tweaked the striping on the arm-sleeves for that season as well. The home jerseys had the one thick silver stripe between two thin white stripes and the away jersey had the one thick blue stripe between two thin silver stripes.

1973-75: Detroit changed back to the three silver stripes, one thick between two thin, on the sleeves of the Honolulu blue home jersey except now they had white trim. The away white jersey had three blue stripes, one thick between two thin, and they had silver trim.

- For the 1974 season, the Lions wore a black band, which was sewn over the thick stripe on the left sleeve of their home and away jerseys, in honor of Head Coach Don McCafferty who died of a heart attack during training camp.
- 1974 was also the season that the Lions started wearing white shoes.

1976-79: In 1976, the players' numbers were added to the back of the helmet.

1980-81: The Lions changed the dull silver stripes and trimming on their uniforms to a shimmering silver glitter. This only lasted two seasons because of complaints by other teams about the glare.

1982-97:

- **1982:** The Lions changed the color of the numbers on their home jerseys, making them white with silver trim.
- **1983:** The Lions wore a 50th Anniversary patch on their left shoulder. The Lions changed their facemask from silver/grey to Honolulu blue.

- **1991:** The team wore a patch honoring Russ Thomas, a former player and General Manager for the Lions, who had recently passed away. For their final seven games (five regular season, two postseason), each player had a white circle decal with a blue number '60,' on the back right side of the helmet, in honor of RG Mike Utley. Utley suffered a spinal cord injury in a game against the Los Angeles Rams on Nov. 17, 1991. The small NFL shield was added to the 'V' of the neck.

- **1992:** They wore a black circle decal with a white number '65,' on the back right side of the helmet, in honor of LG Eric Andolsek, who was killed a few months prior to the season.

- **1993:** The Lions wore a 60th Anniversary patch on their left shoulder.

- **1994:** The Lions wore throwback jerseys for the 1994 season while the NFL was celebrating their 75th anniversary. This version of the uniform was intended to replicate the jersey worn by the Lions in 1935, which was the season that the team won their first world championship. Several players wore a black circle decal with a white number '50,' on the back right side of the helmet in honor of former Lions' LB Toby Caston.

1998: In what turned out to be Barry Sanders final season, the Lions changed their look on the road, wearing blue pants with a white stripe between two silver stripes.

1999: The Lions returned to wearing silver pants (with white stripe between two blue stripes) on the road.

2000-02: In 2000, the Lions moved the numbers that were on the sleeves up to the shoulders.

- The Lions wore a patch commemorating the first game at Ford Field September 22, 2002 against the Green Bay Packers.

2003: The home jersey has a thick silver stripe between two thin blue stripes with white trim and two thin black stripes. The numbers are white with silver trim and outside black trim. The away jersey has a thick blue stripe between two thin silver stripes with white trim and two thin black stripes. The numbers on the away jersey are blue with silver trim and outside black trim.

- The helmet has one vertical white stripe between two blue stripes and two thin black stripes on the outside. The Leaping Lion has white trim and outside black trim and the facemask is black.
- The pants have one vertical thick white stripe between two blue stripes and two thin black stripes.

2005: The Lions introduced a new black alternate jersey featuring Honolulu Blue numbers with silver and white trim. The alternate jersey can be worn in as many as two regular season games and one preseason game.

2008: To commemorate the Detroit Lions 75th Season, the team wore a patch on the home and away jerseys. Additionally, the Lions wore the franchise's classic "throwback" uniform sans 75th Season patch for two games.

2009-13: On April 20, 2009, the Detroit Lions unveiled a new comprehensive brand that included a new logo and new uniforms. As part of the new comprehensive brand, the Lions also introduced a new logotype and a new proprietary font, "NFL Lions." Later in 2012, the NFL launched its new partnership with Nike in April of that year. The Lions uniform featured the Nike logo but also the new Nike Elite 51 technology. The collar changed from black and silver piping to a solid blue.

Designed and engineered from the inside out, the Nike Elite 51 uniform focused on creating a system where the baselayer, padding, jersey and pant work in concert. New innovations included integrating Nike Flywire Technology into the neckline to reduce weight and provide lockdown fit over pads, increasing sleeve articulation for better range of motion, and integrating new four-way stretch fabrication to provide a streamlined shrink-wrap fit.

2014: Detroit Lions players wore a uniform patch from 2014-16 honoring late team owner William Clay Ford. Mr. Ford, who passed away March 9, 2014, purchased the Lions in Nov. 1963 and officially became sole owner of the team

Jan. 10, 1964. The Lions introduced the patch beginning with the regular season opener (September 8) on Monday Night Football at Ford Field when Detroit defeated the New York Giants, 35-14.

LIONS VISUAL IDENTITY

2017: On Feb. 1, 2017 the Lions once again updated the team's logo and typeface as part of a rebranding initiative that also included four new uniform options. The updated logo and typeface includes the removal of black from the brand identity, emphasizing the team's class color combination of Honolulu blue and silver that has been synonymous with the Detroit Lions since 1934.

HOME HONOLULU BLUE JERSEYS

- > The Lions new home jerseys remain Honolulu Blue, a color first established in 1934.
- > The numerals were developed and customized specifically for the Lions uniform based on the team's new logotype. They are now silver, trimmed in anthracite - the newest color to the Lions visual system, officially 'dark steel grey.'
- > The sleeves feature a silk-screened wide horizontal silver stripe, inside two smaller silver stripes. The wide stripe is stenciled with 'LIONS' on the right sleeve and 'WCF' is featured in front of blue and silver vertical bars on the left sleeve in honor of the team's previous owner, William Clay Ford, Sr.
- > Numerals (also silver) remain on the shoulders just above a silver Nike brand 'swoosh.'
- > Players' nameplates on the back of the uniform are also silver (no trim) like each set of numerals.

ROAD WHITE JERSEYS

- > The road jerseys are the traditional "road whites," with blue numerals trimmed in dark steel grey.
- > Sleeves are similar in style to the home uniforms except the striping is Honolulu blue.
- > The right sleeve features 'LIONS' screen-printed in white and the left sleeve again features the initials WCF with two vertical bars (Honolulu blue and silver).
- > Players' nameplates on the back of the uniform are also Honolulu blue (no trim) like each set of numerals.

COLOR RUSH JERSEY

- > The new color rush jerseys are dark steel grey (anthracite) colored with white numerals trimmed in Honolulu Blue.
- > Sleeves are similar in style to the away uniforms with the Honolulu Blue striping.
- > The right sleeve features 'LIONS' screen-printed in white and the left sleeve again features the initials WCF with two vertical bars (Honolulu blue and silver).
- > Players' nameplates on the back of the uniform are also white (no trim) like each set of numerals.

THROWBACK JERSEY

- > The throwback jersey replicates what the team wore in their inaugural season in Detroit (1934) which was the inception of 'Honolulu blue.' The jersey is solid Honolulu blue with silver traditional block numbers; there is no striping on the sleeves or numbers on the shoulders.
- > Players' nameplates on the back of the uniform are also silver (no trim) like the numerals.

HELMET

- > With the introduction of the new Lions logo, the helmet now features a slightly altered version of the new logo on each side. Instead of being outlined in silver, the outer border is Honolulu blue.
- > The facemasks will now be silver.
- > 'LIONS' will be on the front bumper of the helmet and 'DETROIT' will be on the back bumper of the helmet in the new Lions logotype.
- > At the top middle of the helmet, the striping pattern has been modified to be the same striping pattern as the team's game pants except on a smaller scale.

PANTS AND GAME SOCKS

- > Detroit's home game pants will remain in the team's traditional silver. Like the striping pattern on the helmet, the pants vertical trim on the side of the legs are a thick Honolulu blue stripe inside smaller blue stripes.
- > Game pants for the away uniforms will be Honolulu blue with silver striping patterned the same as the home game pants.
- > For the team's color rush uniform, the pants will be dark steel grey (identical to jersey) with no striping.
- > The throwback uniforms will feature silver pants with no striping.
- > The game socks, which are the same for the home, road and throwback uniforms, are now solid Honolulu blue. The socks will be dark steel grey for the color rush uniforms to match jersey and pants.

FORD FIELD MASS COVID-19 VACCINATION CLINIC

SPREADING AWARENESS

On March 18, 2021, the Ford Field vaccine clinic was officially announced at a press conference at the stadium. Speakers at the press conference included Lions President and CEO Rod Wood, Michigan Governor Gretchen Whitmer, Lieutenant Governor of Michigan Garlin Gilchrist II, Henry Ford Health System President and CEO Wright Lassiter III, FEMA representative Kevin Singh and more.

2021 VACCINATION CLINIC INFORMATION

Beginning on March 24, 2021 and running for 56 consecutive days (eight weeks), Ford Field administered 276,479 COVID-19 vaccine shots. The clinic was a collaborative effort between FEMA, the Department of Defense, the Michigan Department of Health and Human Services, Michigan State Police, the City of Detroit, the Detroit Lions, Ford Field and Meijer. The clinic ran through May 17.

Vaccine appointments began at 8 a.m. and concluded at 8:30 p.m. daily at a time where coronavirus cases and hospitalizations were surging in Michigan. Ford Field accommodated nearly 800 translations in 24 languages and assisted those with disabilities. On some nights during Ramadan, the stadium stayed open longer for those who were fasting. This marked the state's largest on-site inoculation effort.

Other clinic-related information includes:

- The U.S. Air Force sent workers from 26 different bases across the U.S. to administer shots to Metro Detroit residents.
- Ford Field delivered between 5,000 and 7,000 shots a day throughout its operation.
- The stadium offered two-dose options of Moderna and Pfizer along with the one-dose Johnson & Johnson shot.
- Appointments and walk-ins were both accepted as a means of receiving a shot.
- Ford Field also held blood drives simultaneously with the vaccine clinic.
- The NFL and partners donated large amounts of PPE, hand sanitizer, medical supplies and food and beverage to clinic workers.
- 99.9% of the site's vaccine allotment was administered and the leftover was reallocated to other sites.

Whitmer took her initiative a step further on April 6, receiving her first dose of the COVID-19 vaccine at Ford Field along with her daughter and several students. This coincided with the state lowering the age needed to receive a vaccine to 16. Lions Legend Lomas Brown was also at Ford Field to urge youth to receive their vaccines, with his daughter also receiving her vaccine that day.

THE NEW FORD FIELD

Ford Field, home of the Detroit Lions, is one of the premier sports and entertainment stadiums in the world, and that fact has been proven over and over again the past few years with such high-profile international events like Super Bowl XL.

Every event at Ford Field impacts the city of Detroit beyond the event itself inside the stadium. For example, by hosting the Super Bowl in Detroit, Ford Field stood as the centerpiece to an over \$260 million economic impact on Metro Detroit.

And none of that would have been made possible without the vision and investment made by Lions Owner and Chairman William Clay Ford and the Ford family to not only construct a fine football stadium but an unrivaled sports and entertainment venue.

The team's entertainment division, DLI Entertainment, has promoted multiple large-scale shows and events at Ford Field, including seven consecutive sold-out Kenny Chesney concerts, Taylor Swift, the 2003 Basketball, 2008 NCAA Men's Basketball Regionals, 2009 NCAA Men's Basketball Final Four and the 2010 NCAA Men's Ice Hockey Frozen Four.

NEW DAKTRONICS DISPLAYS AND RIBBON BOARDS

In each end zone, the Daktronics main video displays will be more than twice the size of the current displays and measure 39.5 feet high by 152 feet wide. Flanking the main displays will be four additional displays measuring 13 feet high by 59 feet wide that can be used individually or coordinated with the main displays for one continuous 270-foot presentation to show live video, instant replays, statistics, graphics and animations, and sponsorship messages. All five of the displays will feature a 13HD pixel layout, Daktronics' premier technology, to ensure vibrant, crisp imagery with wide angle visibility.

Additionally, there will be displays mounted to Ford Field's super columns and ribbon boards mounted along the fascia of Gate A and the main seating bowl. The team worked closely with Daktronics to identify the largest size and best options given the stadium structure.

NEW AND RENOVATED AREAS

The Lions consulted with Rossetti - the original architectural firm for Ford Field - and identified opportunities to renovate areas of the stadium to enhance and modernize the guest experience as well as better utilize the existing space. A total of 210,000 square feet, ranging from large social areas and clubs to suites and loges, will be renovated in place or completely reconfigured.

The new renovations include:

THE LOUNGE

Detroit's underground music scene has been a source of social gathering for generations. These social gatherings typically occurred in the unique architecture that Detroit has become known for around the world; the factory. The minimalist esthetic of the architectural structures that were a part of the music scene became the inspiration for this new club location within Ford Field.

The Lounge is a new seating product that hovers five levels above the field on the north side of the stadium, an area previously filled with suites. The interior is intended to be a fresh, youthful experience that appeals to the modern fan. The edge of the club is lined with lounge-type seating to encourage socializing and movement, while taking advantage of the open view of the field. There will be no reservations for the lounge seating, however there will be plenty of seating options along the 48-foot-long bar in the center of the club or on the sofas flanking the bar. Two chef's tables are centrally-located offering Detroit-centric food options for all club members.

THE NEW FORD FIELD

The Lions announced in February 2017 that the Ford Family would invest approximately \$100 million into Ford Field for new video boards and several other renovations to be completed for the 2017 Detroit Lions season.

"After 15 years, we still hear what a great venue Ford Field is from our fans, visiting teams and the great acts that have performed here," said Detroit Lions Team President and CEO Rod Wood. "The Ford Family is making a substantial investment to make sure our stadium remains among the best, but ultimately it's still about winning football games. We want to get fans in the building having a great time and excited about what they're experiencing so that they can continue to help us create a home field advantage."

In addition to replacing the videoboards, the sound system will be further upgraded along with The Corner Lounge, stadium suites and premium club areas.

CORNER BAR

Inspired by the memory of when the Detroit Lions and the Detroit Tigers played on the same field, in the same stadium, and at the same CORNER. This new bar will highlight the special and unique Lions moments that have been captured in the memories by the NFL's most loyal and die-hard fans; the Detroit Lions Fan. The bar's classic design is inspired by all of the old-school drinking holes that lined the Detroit streets around Briggs Stadium where the team played for nearly four decades. The 150-linear-foot bar, made from oak and blackened steel with old factory glass accents, one can belly-up with ease to grab their favorite libation. The centerpiece of the bar will be the multi-screen video wall and LED statistic board, framed by a wall of vintage lockers and scoreboard. A collection of Lions memorabilia will be on display for all to view and remember the great players, statistics, and moments of the storied Lions history.

GRIDIRON CLUB

The Gridiron Club capitalizes on Detroit's growing culinary recognition and the social scene that parallels it. Food takes center stage in this club, by the addition of several new Detroit-centric concessions manned by new local culinary sensations. Surrounding these unique concessions will be a lively dining and bar environment that has multiple large screen TV's. The highlight of this lively space is the unique lighting grid structure that hovers over all the club patrons that is a visual connection to the cooking grid iron that similarly hovers over the flames at these new culinary destinations. The concept will be expanded to the main concourse to assist with ease of access to the clubs' offerings with a new bar, large TV screens, and another Detroit-centric food destination.

TERRACE CLUB & SUITES AND PREMIUM SUITE RENOVATIONS

Social and communal gathering is the hallmark for this unique club on the north suite level. At its core are the 12 theater box-style suites where a group of people can come together and watch the game but still have the option of gathering in a communal environment directly outside of their suite. This club offers all-inclusive food and beverage (including beer and wine) with high-end stadium fare for all members, including a made-to-order pizza bar with wood-burning oven. To continue the social theme, there are multiple seating options to connect with your neighboring suite. The walls are clad in reclaimed Detroit-based wood and lighting accents help create that social environment.

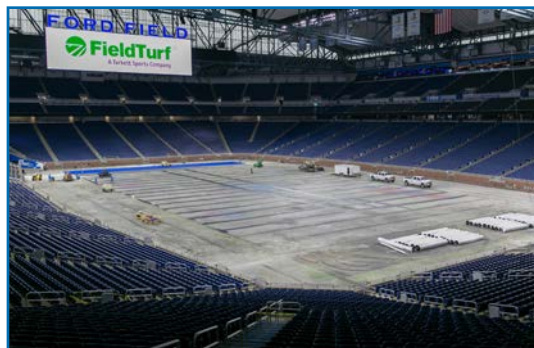

The suites will be renovated according to two levels of finishes, which are identified as the Red Zone suites and The 20's suites and. All suites will have a distinctly Detroit aesthetic through the use of materials that blend the Lions brand with its hometown of Detroit. Each suite type will receive expressive lighting including Detroit-crafted chandeliers along with up to three integral induction heating units and new premium refrigeration.

The Red Zone Suites will refresh existing suites through the use of natural materials, such as stone, luxury fabrics and Detroit steel. Leading edge audio-visual technology will be incorporated as standard equipment, including interactive tablets that allow for ordering merchandise, food, and service.

The 20's Suites will build upon Red Zone finishes to further elevate the premium experience through the use of end-grain wood flooring, ceramic dinnerware and glassware, and a larger audio-video offering.

NEW TURF FIELD IN 2019

In May of 2019, the Detroit Lions announced that the FieldTurf surface at Ford Field would be upgraded with a new FieldTurf Classic HD system. FieldTurf uses a mix of high-end polymer and UV stabilizers to create individual fibers that can withstand the pounding of an elite football program. The new turf replaced the existing FieldTurf, which was originally installed in 2013.

SOUTH CLUB & LOGE BOXES

The South side area celebrates Detroit's tradition and takes its cues for the original Hudson's warehouse. The design aesthetic maintains this important history, and is elevated to include a greater brand presence through graphics, lighting and team colors. The furnishings and finishes reflect a modern aesthetic while blending with existing elements.

- > Fans have expansive views onto the field with many opportunities for movement around the space while socializing and viewing.
- > The loge boxes are a brand new concept, featuring large, comfortable seats and in-seat food and beverage service.

COMPLETE INSTALLATION OF MEYER SOUND SYSTEM

Prior to the 2016 regular season, the team partnered with Meyer Sound to make temporary improvements to Ford Field's sound system. This included a full LEO Family Linear Sound Reinforcement System to replace the original stadium sound system in its entirety.

It features eight array clusters with 182 separate loudspeakers. The LEO Family system is Meyer Sound's flagship line array solution and boasts premium quality sound with astonishing throw, ultra-low distortion, increased intelligibility and significantly more coverage.

SUPER BOWL XL RECAP

In 2006, Ford Field and Metro Detroit sparkled as the international sports community converged for the NFL's championship game.

"Much changed for the city of Detroit in 25 years since the Super Bowl was played there last," said former NFL Commissioner Paul Tagliabue. "The energy of the city and the revival of downtown Detroit are evident. Detroit was a wonderful host and the hospitality exceeded expectations.

"From the media center and NFL headquarters at GM World Headquarters and the Renaissance Center, to the NFL Experience at Cobo Center, to the events at some of downtown's historic theatres, to the game at Ford Field, our fans, teams, business partners and media enjoyed their Super Bowl experience in Detroit."

NCAA CHAMPIONSHIPS

The 2009 NCAA Men's Basketball Final Four reached new heights in 2009 as Ford Field served as the host site for one of the year's biggest sporting events. It capped off two years of setting new standards for the men's basketball championships, which included attendance records for the Final Four, National Championship and preliminary rounds.

2009 MEN'S NCAA FINAL FOUR

The 2009 Men's Basketball Final Four finalized a process that included six years of planning with the ultimate goal of delivering a Final Four like no other, and the NCAA, Ford Field and the city of Detroit did just that. The cornerstone to the championship at Ford Field was the center stadium court and seating configuration that included customized risers and, for the first time, designated student sections. On the court, the Final Four featured Michigan State defeating Connecticut, 82-73, and North Carolina defeating

Villanova, 83-69 in the National Semifinals. In the National Championship, North Carolina ousted Michigan State, 89-72, to claim the NCAA title.

The weekend kicked off as the Final Four Friday drew a record crowd with nearly 30,000 in attendance. The games were expected to establish new records, and they delivered. The National Semifinals set an all-time record with 72,456 fans, and the National Championship upped that amount when it drew 72,992. Overall, 145,378 fans attended the Final Four, which also set a new record.

Although the primary focus of Final Four weekend was on the student athletes, the festivities surrounding the event livened up downtown Detroit. The ancillary events, like Hoops City, also drew record crowds over the five-day period. The NCAA and the Detroit Local Organizing Committee worked together on several community outreaches, which included a new legacy program. In the Detroit community, new early learning and literacy centers were opened. All of this was made possible by the vision of Ford Field and the NCAA to take this event to new levels. In the end, the Final Four generated an estimated \$30-50 million impact on the city of Detroit.

2008 MIDWEST REGIONALS

Midwest Regionals, which included the Sweet Sixteen and Elite Eight rounds, were held March 28 and 30 in downtown Detroit for the first time, and both sessions set new preliminary rounds attendance records with 57,028 and 57,563 respectively for each session. A record of 114,591 was also established for both sessions. The excitement for the Midwest Regional was evident when 50,000 tickets were sold prior to the announcement of the 65-team tournament. Teams in the regional included Kansas (1 seed), Wisconsin (3), Davidson (10 seed) and Villanova (12 seed). Davidson upset Wisconsin, 73-56, in the first game and Kansas defeated Villanova, 72-57, in the second game. The regional title was claimed by Kansas with a win over Davidson, 59-57, in a game that came down to the final seconds. The previous attendance record for a single regional game was 42,519. That mark was set at the Michigan State vs. Kentucky game in St. Louis' Trans World Dome in 1999.

NCAA HOCKEY

In 2010 Ford Field elevated collegiate hockey to an all-time level when it hosted the NCAA Men's 2010 Frozen Four. In an area that shows great support annually for college hockey and several Division I programs in the state of Michigan, Ford Field, which was the largest stadium ever to host the Frozen Four, proved the ideal venue to provide access to more fans of college hockey's version of the Final Four than ever before.

For both the National Semifinals and National Championship, the crowds that gathered set new NCAA records and new world records for an indoor hockey game. Overall, approximately 19,000 fans experienced the Frozen

Four weekend than ever before. The first night of the Frozen Four, the National Semifinals, commenced as Ford Field established a new attendance record of 34,954. Wisconsin defeated Rochester Institute of Technology 8-1 and Boston College upended Miami 7-1. In the National Championship game, Boston College claimed the NCAA title by shutting out Wisconsin in front of a record crowd of 37,592. In total, 72,546 fans watched the Frozen Four at Ford Field.

A LOOK AT THE PAST

On Nov. 16, 1999, a new era in Detroit Lions' history began when the team officially launched the construction of its new downtown Detroit stadium. In 2002, the Lions and the city of Detroit unveiled one of the most impressive sports and entertainment venues ever built.

The Lions' downtown home is an incomparable 64,500-seat facility that includes a giant glass wall, revealing the picturesque Detroit skyline, and the old Hudson's Warehouse, originally built in 1920. The massive project encompasses a total of 1.85 million square feet of development.

The old Hudson's Warehouse, a major cornerstone of Ford Field, houses most of the stadium luxury seats, pressbox, restaurants, food courts, lounge areas, banquet facilities, entertainment venues and commercial space. The inclusion of the warehouse into the stadium project allows the sightlines at Ford Field to be among the very best in the NFL. In fact, even the locker room facilities have been built in the basement of the seven-story historic Detroit structure.

Detroit played its first home preseason game at Ford Field Saturday, Aug. 24, 2002 against the Pittsburgh Steelers. Almost one month later, the Lions celebrated the inaugural regular season game at Ford Field Sunday, September 22 when they played host to their long-time divisional rival, the Green Bay Packers. The 2002 home opener marked the return of the Lions to downtown Detroit for the first time since 1974.

Following this grand opening event and the Lions' first regular season game, Ford Field's first concert was October headlined by the rock-and-roll legends, the Rolling Stones. At Super Bowl XL, the Rolling Stones returned to headline the NFL's halftime show.

Not only has Ford Field impressed the NFL owners, but it has also made an impact on the NCAA to name the stadium the site of the 2009 NCAA Men's Basketball Final Four. Ford Field also hosted the Men's Basketball Midwest Regional Finals in 2008. In addition to the men's basketball championship, the NCAA returned in 2010 as Ford Field presented the Men's Hockey Frozen Four.

In April 2007, Ford Field expanded its portfolio when it hosted one of the biggest sports entertainment events of the year when the WWE's Wrestlemania extravaganza rolled into town. The event set a Ford Field record with 80,103 in attendance and it was the second-highest tally in the 23-year history of the event behind Wrestlemania III (93,173) held at the Pontiac Silverdome. Wrestlemania 23 at Ford

Field included fans from 23 different countries, including all 50 states and nine Canadian provinces. Wrestlemania was the highest grossing one-day live event in WWE history, and holding the event at Ford Field helped pump an estimated \$25 million into the local economy.

Besides events like the NCAA Final Four, Midwest Regionals and Frozen Four, Ford Field has also hosted prominent motorsports events, including the Monster Jam monster truck series and the AMA Amp'd Mobile Supercross series.

Ford Field began as a construction phenomenon on multiple fronts, and is now a crowning jewel of new stadiums in the NFL and Detroit's downtown entertainment district. The stadium's impact will continue to grow as Ford Field plays host to football games, sports and entertainment events, trade shows and concerts.
