

## SUPER BOWL LVI EVENT PARTICIPANT'S HEALTH PROMISE AND ACKNOWLEDGMENT

This Super Bowl LVI Event Participant's Acknowledgement and Health Promise (the "Fan Health Promise") is being entered in return for your and anyone on whose behalf you are registering (including any minors) (individually or all together referred to herein as "Participant") being allowed to participate in and/or attend the National Football League and Los Angeles Super Bowl LVI Host Committee events and activities being conducted in connection with Super Bowl LVI, from February 5 – 13, 2022, including, without limitation, the Super Bowl Experience presented by Lowe's and Super Bowl LVI game and related events (including, without limitation, the NFL Tailgate Party) (collectively, the "Activities"). This Fan Health Promise applies in addition to any other terms and conditions that apply to any of these specific events or activities. By registering for and/or attending or participating in any of the Activities, Participant, on behalf of themselves and anyone on whose behalf they are registering for the Activities (including any minors), acknowledges having read this Fan Health Promise and agrees to be bound by it.

### SAFETY AND HEALTH POLICIES

Due to the uncertainty related to the novel coronavirus SARS-COV-2 (together with any variation thereof, "COVID-19") pandemic, Participant acknowledges that their tickets and admission to any of the Activities are subject to all government, venue and National Football League ("NFL") safety and health policies, which include the Fan Health Promise set forth below. Participant acknowledges that due to the evolving nature of the pandemic, the NFL may continue to develop and update these policies in the intervening time between Participant's registration or receipt of a ticket and the date of the Activity at [www.SuperBowl.com](http://www.SuperBowl.com). By registering for and/or attending or participating in any of the Activities, Participant acknowledges and agrees, on behalf of themselves and anyone accompanying them (including any minor(s)) (1) that Participant and they will comply with such policies and regularly check for any updates to such policies; (2) that Participant's and their attendance at the Event is conditioned on such compliance; and (3) that if Participant's or their admission to any of the Activities is denied or revoked because they have failed or refused to comply with any such safety and health policies of the venue or the NFL, they will not be eligible for any remedy, credit or refund.

### FAN HEALTH PROMISE

Participant agrees, on behalf of Participant and anyone on whose behalf they are registering (including any minors), that Participant and each such individual will not attend any of the Activities if they have tested positive for COVID-19 within 14 days prior to the Activity, or, **unless they are fully vaccinated for COVID-19 (as defined by the CDC)**, any of the following is true on the date of the Activity:

- Within the prior 14 days, they have been exposed to someone who has tested positive for COVID-19, or are subject to a federal or local travel or quarantine advisory due to COVID-19;
- Within the prior 48 hours, they have experienced symptoms of COVID-19 (e.g., fever of 100.4°F or higher, cough, shortness of breath or difficulty breathing, chills, repeated shaking, muscle pain/achiness, headache, sore throat, loss of taste or smell, nasal congestion, runny nose, vomiting, diarrhea, fatigue or any other symptoms identified by the CDC) (anyone who is fully vaccinated but experiences any of the above symptoms within 48 hours before the Activity should nevertheless consult a healthcare provider and get tested for COVID-19 before attending).
